# **From the Watchman's Corner**

## **Background to Betrayal!**

This is another old message, which is being brought up to date, since its truth is still apparent, and in the light of today's events, it is of more importance than ever before.

In **Jeremiah 5:30**, we read these disturbing words, "A wonderful and horrible thing is committed in the land; the prophets (preachers) prophesy (preach) falsely, and the priests (politicians) bear rule by their means; and my people (Israel) love to have it so: and what will ye do in the end thereof?"

How can a people who have become so confused by enemy propaganda, often coming from their own politicians and pastors, be saved from their folly? (It becomes especially difficult when many of them love to be fooled. The prophet rightly asks, "What will happen in the end?")

This is the important issue we will discuss in this message.

One of our biggest problems in America, when it comes to discussing important problems is a complete loss of intelligent perspective. We have been so *brainwashed* in the liberal mind detergent used by our clever enemy; which consists of an ounce of truth diluted in a gallon of hogwash, that we fail to see the problem as it really exists, and are like a man looking at himself in the *hall of mirrors*, at the County Fair. What he sees is a false image and not the real man.

There are two words in the English language that go hand in hand, and that we must understand. For the most part they have been forgotten. The first is ***Betray***, or ***Betrayal***, which means: "to deliver to; to expose to the enemy; to betray a trust; to violate one's allegiance to their sovereign state". It is defined in the Constitution, in Article III, section 3, in words a fifth grader can understand: "***treason*** shall consist only of levying war against them (America), adhering to their enemies, giving them aid or comfort." (There is no way this can be misunderstood.)

These acts were at one time looked on in America with utmost abhorrence and disgust. They were considered the most heinous of crimes, to be severely punished. In some instances by death!

## *Background to betrayal*

Today this crime has become so common place in the White Christian nations of Christendom, and especially America, that people seldom even raise their eyebrows when it is committed, and, often it goes unpunished.

Read most any daily newspaper and every day you will see evidence of *treason*, on the part of some high ranking official in government, education, or even the Christian church.

Many years ago a political philosopher said, "*Treason* prospers; what's the reason? For when treason prospers, none dare call it treason!" and treason is prospering in America, making thousands of millionaires.

Going back to the Holy Bible, listen to Isaiah's admonition to his country's (Israel's) watchmen: "Cry aloud, spare not, lift up thy voice like a trumpet, and shew (tell) my people their transgression (wrong doing), and the house of Jacob their sins." (**Isaiah 58:1**). Yet today, we don't like to receive negative news, and is why many are "*going to pieces*" over the terrible events that have taken place on the East Coast. It is why our people have become so vulnerable to religious charlatans like Oral Roberts, with his message, "Something good is going to happen to you today!" When the shocking truth is, "Unless you repent, you shall perish!"

This is not a popular message in America today, for we have been oriented into doing our own thing, since we only go around once in life, live it with gusto.

In fact the majority of Judeo-Christian preachers will tell you that God's Law was done away when Christ died, even though Jesus said, "I am not come to destroy the Law, but to fulfill it." (**Matthew 5:17**); and the Apostle Paul, in **Romans 3:31**, said, "Do we then make void (of none effect) the law through faith? God forbid: yea, we establish the law."

If the very foundation of God's Law, the Ten Commandments are done away, how can the Christian structure remain? It's impossible.

We find very few politicians or pastors with the courage, "*guts* " we used to call it, who will point out the dangers we as a people face when we deliberately *disobey* God.

Pastors are more apt to tell their congregations about the love of God, which is great, no doubt about it, but when they intimate by their words and actions that *God loves* humanity so much that He really won't allow anything all that bad happens to America (after all we have over 50 million "*born agains* " in America), then they are "*barking up the wrong tree* ", and are leading men and women astray.

God's Word in **Jeremiah 23:22** says, "But if they (the pastors of Israel) had stood in my counsel, and caused my people (Israel) to hear my words, then they should have turned them from their evil way and from the evil of their doings." This is a terrible indictment against pastors of our land, for relatively few of our people are turning to God, and abandoning their *disobedient* ways.

## *Background to betrayal*

In **verse 26 - 28** God asks this question, "How long shall this be in the heart of the prophets (preachers) that prophesy (preach) lies? ... Which think to cause my people to forget my name . . . as their fathers have forgotten my name for Baal (false worship). The prophet that hath a dream (Holy Spirit inspiration), let him tell a dream; and he that hath my word, let him speak my word faithfully..."

**Verse 30 - 32**, "Therefore (because of their falsehoods), behold, I am against the prophets, saith the Lord, that steal my words every one from his neighbor. Behold I am against the prophets, saith the Lord, that use their tongues, and say, He saith. Behold I am against them that prophesy false dreams (messages), saith the Lord, and do tell them, and cause my people to err by their lies, and by their lightness (Hebrew meaning "frivolity" - "come with me and celebrate Jesus"); yet I sent them not, nor commanded them: therefore they shall not profit (Hebrew word meaning: "be of value to; do good to; benefit") this people at all, saith the Lord." Read the rest of this chapter to see what happens to these false preachers.

Because our political and religious leaders have been reluctant to tell us the truth, the patient is desperately ill and unless something is done soon will die. (Of course you understand, that I am speaking of our own beloved United States.)

Alarmingly, we have placed doctors in charge of the patient who are obviously "*quacks*", who instead of trying to save the patient are deliberately doing everything in their power to destroy her.

We have allowed these to creep into government, education, and sometimes, God forbid, the Christian church and as a result the patient becomes sicker by the day. The recent terrible events on the East Coast are a symptom of this far advanced malady. It will not be stopped through political or military action, or by throwing money at it, as has become the political answer to our problems.

"*A very serious charge*", you may say, and indeed it is, the more so because it is true! We may not want to accept it, but the facts are there to prove this serious contention. We Americans for the most part have become like the proverbial ostrich that is said to bury his head in the sand when danger approaches, hoping beyond hope, that it will go away.

Our national philosophy has become "I don't want to read anything unpleasant; I don't want to know anything unpleasant; I don't want to discuss anything controversial. If it's negative, please don't disturb me, as, I have already made up my mind, so please don't confuse me with the truth." This is why the *Rapture Doctrine* has become so popular in the Judeo-Christian church. It is a way out for the Christians without having to strain themselves very much, or heaven forbid, have to suffer for the Lord!

In this message, I am going to try and show you how America's leaders, those we have put in charge of our nation, those who have taken a solemn oath to defend this nation and its people from all enemies, *foreign and domestic*, have failed. For at least the last

## *Background to betrayal*

seventy years or so, whether Republicans or Democrats have been in the seat of power, they have allowed our enemies to dictate the course of this once Christian nation.

Their purpose has been to destroy our Republic and prepare her for assimilation into their New World Order. Their "*target date* " was 2000 AD but God has a way of disrupting the plans of evil men, and He has given us a "*breathing spell* " in which we may repent and be saved, if we are intelligent enough to use it. We have a choice of either doing things God's way, or having our bones bleach on the sands of history, as many great civilizations that have gone before us have done.

Recently a high-ranking Israeli official, smugly and publicly showed us how this was being done when he said, "We Jews, have the best Congress money can buy." He was speaking about *treason*.

Most of us know that America is hopelessly in debt. No one is sure how much, but it is many trillions of dollars, a figure too high for the average mind to even comprehend. It is much higher than the value of all our real estate and businesses combined.

We do owe this debt to ourselves, as some naively believe, but to a clique of immensely powerful International banking gangsters, who for all intents and purposes have controlled our economy since 1913.

This was when the Federal Reserve Act became law, pushed into place by a minority of Senators who were more interested in their own political well being, than in the safety of this country. Again we are speaking of *treason!*

It is a well-known historical fact that those who control the economy of a country control that country, and for all intents and purposes we have not had an American government in Washington, DC, since 1913. One of these International gangsters, a member of the Rothschild banking family once said, "Give me control of the economy of a country, and I care not who makes her laws."

The most powerful man in America today, is not the President of the United States but the head of the Federal Reserve System. He can make or break this nation any time he desires.

Whether you wish to accept this or not the '*financial bubble*' is close to bursting, and when it does, "*all hell will break loose* " in this country.

During these years, we have been sold a moral code in education, the media, in government, and often in the church, where "*shepherds* ", so called leaders, have become the wolves in sheep's clothing our Savior warned us about. **Matthew 7:15** - "Beware of false prophets (leaders), which come to you in sheep's clothing (disguised as sheep), but inwardly they are ravening (The word ravenous in Greek means: "vicious".) wolves." What do wolves do? They eat sheep and destroy the flock, that is a wolf's nature, and you will not change it by putting it in a clerical collar.

## *Background to betrayal*

In **Acts 20:29**, the Apostle Paul warned the Christian church at Ephesus: "For I know this, that after my departing, shall grievous wolves enter in among you, not sparing the flock." (We have many such warnings in the Bible.)

2 **Peter 2:1**, 2 continues this warning, "But there were false prophets among the (Israel) people, even as there shall be false teachers among you, who privily (secretly) shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious (Greek word meaning: "spiritual destructive") ways; by reason of whom the way of truth shall be evil spoken of." It is those who are taken in by these evil imposters, who bring disgrace to the name of Christ and all Christians.

Unfortunately in the Judeo-Christian churches of America, can be found large numbers of preachers, who do not believe in the Virgin birth of our Lord, His resurrection, and the infallibility of His Word. They spread their poison to innocent church members. Unfortunately, many times in the early church and now, these wolves were Jews.

**Titus 1:10, 11, & 14** - "For there are many unruly and vain talkers, and deceivers, specially they of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses (households), teaching things which they ought not, for filthy lucre's (money's) sake ... Not giving heed to Jewish fables, and commandments of men (wolves in sheep's clothing), that turn from the truth."

We have become so imbued with Jewish teachings in America, that for all intents and purposes we can no longer be honestly classified as a Christian nation.

The vast majority of Christians in our churches have abrogated their duties to God, by *taking the easy way out*, and remaining silent in the face of obvious evil. We have allowed ourselves to be invaded by an oriental, atheistic, antichrist, philosophy from Eastern Europe, which from it's beginning was designed to ultimately either enslave or destroy us.

Under the facade of Zionist/Communist, it has already destroyed over 140 million people, including millions of Christians who are it's number one target.

Why does our controlled media seldom mention this "holocaust"? It has been a means to build hatred for America among millions of Arabs, who at one time were our friends. We have gradually alienated them through our bankrupt foreign policy, and I believe the American government, including many in the Christian church world share a lot of the blame, for the attacks we have seen in recent days on the East Coast.

While I have absolutely no sympathy with terrorist methods and abhor them, I can understand why they take place. I can remember a day, fifty years ago, when as an American you could travel safely around the world, even in nations that did not especially like us. (I know for I have traveled extensively in such places.) Today, we are hated universally, and in many so-called friendly nations we are no longer safe or

## *Background to betrayal*

welcome. This kind of hatred doesn't come about by accident, but is normally earned by our actions.

It's impossible to go into a country where people, have lived for hundreds of years, root them out, and give their land to an aggressive invader who will not only steal all they have, but will harass and kill their people; this America and Britain did in Palestine in 1947, when we gave Arab land to the Israeli, who had no moral, spiritual, or legal right to it. And we did it with the approval of most of the Christian world, whose preachers twisted God's Word, to make it appear that the antichrists of Judaism, were God's Chosen People, when they are Turco-Mongolian heathen, for the most part, who are spoken of in **Revelation 2:9** & **3:9** by our Savior, as "they who say they are Jews, and are not; but are of the synagogue of Satan."

Of course if you steal people's land, force them into refugee centers, and kill them, they will hate you and seek revenge.

The liberals who pontificate about their love for, especially the Blacks, Asiatic, and Hispanics, often detest their own White Israelite people, and like Esau, have contempt for their Israel birthright, shunning the Scriptural warning of **Hebrews 12:16,17** - "Lest there be any fornicator, or profane person, as Esau, who for one morsel of meat (food) sold his birthright. For ye know how afterward, when he was rejected: fm he found no place of repentance, though he sought it carefully with tears."

Yet these same liberals show their hypocrisy, when they show by their actions that they are interested in the aliens only to be used as *cannon fodder* in the racial war they are instigating.

Their thinking is clearly show in the following excerpt from the Congressional Record of 1957, page 8559, quotating from a book written in 1921 by a Communist Jew named Israel Cohen, titled "**A RACIAL PROGRAM FOR THE TWENTIETH CENTURY**". "We (Jews) must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been exploited by the Whites, we can mold them to the program of the Communist Party.

"The terms Colonialism and Imperialism must be featureAin our propaganda. In America we will aim for a subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites, a guilt complex for their exploitation of the Negroes.

"We will, aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with Whites, and begin the process which will deliver America into our hands."

If you can't see how this is taking place, it's because you have deliberately closed your mind and eyes to the truth.

## *Background to betrayal*

Very seldom are our White Christian people told the *truth*, that slavery is a Jewish institution. That Black slaves were purchased from Black rulers by Jewish slave merchants, shipped to North America under deplorable conditions on Jewish owned ships, and sold in Jewish owned slave markets by Jewish auctioneers. (If you want historical proof of this, it can be found in the Boston Public Library.) Yet most of the Black slaves coming to America were far better off in every way, than their relatives who were left behind to the cruelties of Black leaders in Africa.

Listen to Article I, Paragraph 3, of the "**NEW WORLD ORDER PLAN FOR WORLD CONQUEST**": "Through the press, we have gained power to influence the world, while remaining ourselves in the shade: we have the gold of the world in our hands, notwithstanding that we had to gather it out of oceans of blood and tears! It has paid off for us, even though we have sacrificed thousands of our own people." (We need to remember we are dealing with conscious less antichrists, which hate everything we stand for as Christians and Americans.)

Have you ever wondered why we Christian Americans are constantly having our nose rubbed in the *stink of the Jewish holocaust*? That took place over fifty years ago. Almost weekly we get another dose of Hitler in the news or on television. Yet this took place on another continent, thousands of miles away. Yet the same Judeo-Christian preachers and media, who *cram this down our throats*, are careful not to mention the much greater holocaust, where over 140 million people, including millions of Christians have been slaughtered by Zionist/Communist. Why? Is there a conspiracy among the preachers? (See Ezekiel 22:25)

A second witness to the Zionist World Plans can be found in a speech given by a Rabbi Reichorn, the leading rabbi in France in 1858, at the funeral of another rabbi. He said, "Wars are the Jews harvest; with them we gain control of the world's gold, while killing off Christians. We have already eliminated 100 million of them, and the end is not yet!" Can you imagine the uproar that would be made in Jewish circles if a Christian leader made such a statement about the Jews? Yet it is essentially what Jesus told their leaders in **Matthew 23:34, 35**, when He accused them of being guilty of "all the righteous blood shed on earth, from the time of Abel's murder."

Today we can honestly add: "and since that time!" Who are you going to believe, your Savior, or your pastor who says these God hating rebels are His Chosen?

Ask most any Judeo-Christian if they love Jesus and believe His word, and they will give you a resounding *YES!* possibly with some *heat*. Then ask them if the people we know today as Jews are God Chosen, and they will say, "Of course! That's what my church and pastor teaches." Then march them over to **John 10:26** where their Savior, speaking to the Jewish leaders said, "But ye believe me not; because ye are *not of my sheep*." (Emphasis is mine!) Then *get ready to duck* for many of them will, forget about, loving you, if you disagree with what their church teaches.

## *Background to betrayal*

Some of you may be aghast at what I teach, and label me with the slur *anti-Semitism*. You would be wrong, for the vast majority of the people we call Jews, are not Semites, but are Turco-Mongolian heathen, whose ancestors never set foot in Palestine. If you are White, you are very possibly an Israelite, whether you want to believe this or not. Why do you turn your back on your heritage, and give it to infidels?

In **Isaiah 51:1, 2** we are reminded of our spiritual heritage: "Hearken unto me, ye that follow after righteousness, ye that seek the Lord: look unto the rock from whence ye are hewn and to the hole of the pit from whence ye were digged, look unto Abraham your father, and unto Sarah that bare you; for I called him alone, and blessed him and increased him." (See also **Amos 3:2**)

Jewish propaganda, aided by *brainwashed* Christian pastors, has been so successful that a majority of White Christian's who are blood relatives of Abraham, believe they are Gentile heathens "*saved by grace* ", when in reality they are children of Abraham, "*saved by grace* ". They have given Chosen People status, to those who hate their Savior and refer to Him as *a bastard*.

Many Jews recognized this. Alfred Lilienthal, a noted Jewish author has said, "It is an anthropological fact that many White Christians have more of Abraham's blood flowing in their veins than their Jewish neighbors." If White Christians ever recognize this Scriptural truth, we would see a revival in this country such as the world has never seen, as White Christians, for the first time, recognize their responsibility to God. (This is possibly one reason they will not accept this truth.) They do not want to accept the responsibility that goes with being an Israelite.

The Apostle Paul one time in **1 Timothy 5:8** said that if a man did not take care of his own (Blood), and especially his own family, he had "*denied the faith and is worse than an infidel*. " The man or woman who sees danger to their loved one's and to our Christian way of life, and refuses to do anything about it, is at the *bottom of the heap of humanity*, as far as I'm concerned.

We have seen many cases of extreme bravery during the this attack on America, that pinpoints Christ's words in **John 15:13** - "Greater love hath no man than this, that a man will give his life for his friend." We have seen dozens of examples of men giving their life for those they did not know. God willing this tragedy will be a "*wake up call for America to get back to God!* "

With the seeming disintegration of America taking place before our eyes, it should not take a very intelligent person long to see what the enemy has planned for us.

Yes, Virginia, we are looking at a conspiracy! No matter how many Talk Show hosjglike Rush Limbaugh scoff at the idea that a conspiracy exists. YeAny two or more people get together to plan for an evil purpose, you have a conspiracy, and what we see happening in America today, did not come about by accident. There was a plan behind it. While I do not accuse Zionism or *traitors* in our government of being an active part of the terrorist

## *Background to betrayal*

attack, they knew that their actions would bring about a situation that would cause terrorist activity.

Do you believe that Nikita Khrushchev was just spouting rhetoric when years ago, he shouted at the U.N. "We will bury you!" What we see happening today is part of that plan. "*Communism is not dead*", it has just changed its name and today hides behind the facade of International Zionism, working towards the same objective and using anyone and everything that will forward their agenda, including *International terrorism*. They must create chaos to be successful, and terrorism is an excellent weapon for their use.

A hard-nosed Jewish radical today heads every nation that split away from the old Soviet Union. Why do you suppose these nations are rearming at an alarming rate, while we, in the Western world have been disarming? While we have not produced a nuclear sub in ten years, the Soviet Union is turning out two per quarter, which according to America naval experts, are better than anything we have.

While we have not floated a nuclear aircraft carrier in a decade, they are turning out two a year. These are offensive weapons, meant for aggression, not defense.

Our military and political leaders in Washington, DC, know they are replacing their missiles with larger more accurate ones. They know our missiles must be zeroed in on Russian targets, and that if we fired one by accident, it is designed to fall harmlessly in the sea and it takes about twenty minutes to rearm. Yet if the Soviets fire any of theirs, for any reason other than a test, it is designed to hit an American target.

They are building bigger and better tanks, and they get rid of their old ones by selling them to anti-American countries in the Third World. The same is true with their artillery. According to their own sources, they have enough food stored to last them in an emergency for up to four years, while our emergency supplies are down to less than thirty days.

We have no defenses against a nuclear attack, other than a few thousand *big wigs* in Washington, DC who say we will never need it, but we have men like Secretary of State Colin Powell, the hero of the Desert Storm *turkey shoot*, who wants our military to remain overseas as U.N. policemen and who according to his own words, sees no danger from over a million Red Chinese troops, with their heavy weapons, in neighboring Panama. (It appears that he believes they are there, merely for R&R.)

Our State Department has not been noted for its loyalty to American principles in the past seventy years, with men like Henry Kissinger in charge, who was a Soviet *double agent* during World War II, and couldn't even speak English very well. Another was General George Marshall, who sold Nationalist China into Communist hands, even publicly boasting, "I disarmed fifty Nationalist divisions with one stroke of my pen." I saw this *treason* in Korea in 1949, and in Eritrea, East Africa, in 1962, and again when Soviet troops and their equipment began moving into Mexico, along the U.S. border.

## *Background to betrayal*

When I tried to alert our government, even sending pictures *taken* of Soviet equipment within fifty miles of our borders, I was threatened and told to *keep my mouth shut* and when I refused, I came under intense government persecution that some of you know about.

With casualties of over 5,000 in the New York and Pentagon attack, and our nation in a state of chaos, do you believe the American people would accept the terror caused by 100 million casualties, if we suffered a nuclear, biological, and chemical attack? Or would they demand that our government surrender?

It's well and good to talk about our will to resist, when you are out of the danger zone. It's something completely different when the bullets begin to fly.

That we still have men and women of courage in America was proven by the firemen, policemen and women who gave their lives in rescue attempts, but what would be our reaction on a National level? Somehow, try as hard as I had might, I can't see modern, pampered Americans responding as they did in 1941. How many of our pampered women would be willing to become *a Rosie the riveter*?

Over sixty years ago, Dmitri Manualisky, the Russian head of the U.N. Security Forces, from his position as Under-Secretary of military and political affairs in the United Nations (a position which has always been held by a Communist) said, "We are not strong enough to destroy you. So we will begin the greatest peace offensive the world has ever seen. There will be unseen overtures on our part, and the Capitalist (free) nations, stupid and decadent will leap at the chance to be our friends, and will cooperate in their own destruction. Then when their guard is down, and they have gone to sleep, we *will smash* them with our clenched fist."

*Oh*, but you may say, "Communism is dead. We don't have to worry about them anymore!" This is what the conspirators want you to believe, but *Communism is alive and well*, supported by many political leaders. That is why when the Soviet Union has been on the verge of economic collapse on at least fourteen major occasions during the past seventy years, they have been put back on their feet, using your tax dollars, while maintaining their plan for world conquest and destruction of *While Christian civilization*. No wonder they consider us as *stupid and decadent*.

**1 Thessalonians 5:3** says, "For when they (the leaders of Israel) shall say, Peace and safety; then sudden destruction cometh upon them, ... and they shall not escape." Is that to be our fate?

Why do our leaders believe the Israeli leaders when they have lied to us so many times, and *stabbed us in the back on numerous occasions*? (This is typical Jewish action, see **John 8:44**.)

Did you know that the Jew is given the right by his Holy book the Talmud, to lie to Gentiles? He takes an oath on the Day of Atonement, called the Kol Nidre Oath, which

## *Background to betrayal*

states that any promise made to a Gentile during the following year is *null and void*. This means that any Jew, who holds a political position, whether as a Congressman, or a Judge, can break his or her oath of office whenever it is convenient. How then can they be trusted? Yet naive Christians have placed them in many important positions in this land, knowing they cannot be trusted.

**Jeremiah 5:30, 31** says, "A wonderful and horrible thing is committed in the land; The prophets (preachers) prophesy (preach) falsely, and the priest (political leaders) bear rule by their means; and my people love to have it so: and what will ye do in the end thereof?" There's not much you can do for a people who would rather listen to lies than to truth.

President Clinton appointed over 40 of these antichrists to office during his administration, and not one of them was a Christian. President Bush, who claims to be a *born again Christian* has done very little to get rid of these parasites.

During the period following World War II, our government spent billions of our tax dollars building up our defenses against what they called the *Evil Empire*, yet succoring them time and again, while Clinton disarmed us. Do you honestly believe all this happened by accident?

During FDR's administration he said (and he should have known since he was an integral part of it), "Nothing in politics happens by accident. It is all planned (a conspiracy) somewhere in some smoke filled room."

Over all these years God fearing Americans have stood in frustrated silence as we have seen our Congress contaminated from within by an influx of anti-American, God-hating aliens such as Henry Kissinger, and Zgibrew Brezinski, during this period, we have seen our Free Enterprise Christian Republic, replaced by a Socialist Welfare State, which is fat becoming a state in a One World Zionist Dictatorship.

For the most part Americans have remained helpless as their sons and daughters have been slaughtered in two no win wars, which we lost, with countries smaller than many of our states.

We did not lose these wars because of lack of bravery on the part of our military, or because of inferior equipment, but because of the moral degeneracy of our government leaders who for political reasons would not let them win and often abandoned them to die in some enemy prison camp.

Today, we send a former prisoner of war to Vietnam, to negotiate with those who tortured and killed our men and women, and to offer aid to a country that still hates us.

Today we are aiding Red China, trying to buy their friendship so a few International gangsters can become fabulously rich, and we become slaves on the Zionist World Plantation.

## *Background to betrayal*

When our finest general in the Korean War, General Douglas MacArthur stated, "There is no substitute for victory!" and set out to prove it by winning the only American victory in that war, his hands were tied by little men like President Harry Truman, and he was relieved of command and humiliated by the President.

In this message I hope to show you how our present crisis is not due to men in public office who do not know the *truth*, but is caused by men and women who know the truth but are deliberately contemptuous of our Constitution, and deliberately disobey God's Laws. In so doing, they promote ideas hostile to this Christian Republic as they destroy our sovereignty and lead us into the slavery of their One World Government. This is the worst kind of treason possible, yet decent Americans, many who claim to be Christians, have allowed this to happen with scarcely a word of disapproval.

Most of us know of the treason of President William Jefferson Clinton in his dealing with Red China. We know about his immoral life style, yet millions of those who claim to be Christians, defend him as being a great President. Our present President George Bush, Jr., claims to be *a horn again* Christian, yet he is a 32 degree Mason, which makes this impossible, for as a high ranking Mason, his first loyalty is not to God; not to Jesus Christ or his country, but to his lodge. This can be seen in many ways, as he gives "*aid and comfort*", to the homosexual elements of the country, which deserve death (**Romans 1:32**), and with his born again Attorney General John Ashcroft, turn their backs when Christian patriots are unjustly attacked and persecuted. They also give full subservience to the antichrists of Judaism, and back the Israeli government, which is the cause of our terrorist problems. They are backed by millions of born again Christians who have been seduced by Jewish fables. How can we have victory over evil, when the majority of our professing Christian people give "*aid and comfort*" to the enemy?

It is not that these *treasonous* leaders do not understand the implications of their actions, as many, like President Clinton were involved in anti-American actions long before he got into office and some like Clinton received special training in the rudiments of the New World Order. He knew what he was doing and it's purpose.

Yet these men and women knowing the consequences, went ahead *doing their own thing*, completely ignoring the Scriptural warning, "Be not deceived, God is not mocked, for whatsoever a man (nation) sows, that shall they also reap." (**Galatians 6:7**) They sowed evil seed and then complain when they reap a rotten harvest.

The days we are now experiencing in America, are somewhat like those spoken of in the Bible, where: "Every man did that which was right in his own sight," and chaos, confusion and fear ruled the world. Is it because that many professing Christians have become the *salt less salt of Matthew 5:13*, and have lost their ability to hold back corruption?

The facts I present in this message will not be popular with men, including some of you who go by the name of Christian, for they allow no compromise with evil, but they are

## *Background to betrayal*

true, whether you want to accept them or not. They were not designed to please you, but to keep you from error.

I am not the least bit concerned with the popularity of this message, but for it's *truth*, as I did not set out to win a popularity contest, but to give you the *truth*. I can assure you one thing, once you have heard it, God will hold you accountable for it's truth, whether you want to accept it or not.

There came a time in my life when I attempted to fulfill a promise I made to God, when in Korea I thought I was about to die in front of a Communist firing squad. God spared my life through a miracle, and now I am trying to serve Him, which means speaking the truth even when it's unpopular.

My efforts were hampered by my own church, which at that time was Fundamental Baptist, and where I was an evangelist. Yet when I attempted to tell our people the *truth*, I was forced to leave, because even though it was Scriptural it did not conform to their church doctrine.

I had learned the hard way that the average Christian does not want to listen to truth that is unpleasant, and although they speak a lot about love, they will turn, sometimes viciously against someone who differs from them in belief. I have been *called every name in the book*", by so-called Christians, but have never had any who now call me apostate, ask to sit down with me and show me from the Word of God where I am wrong. Instead they avoid me as though I had the plague.

That was twenty-one years ago. One day I was brought face to face with 2 **Chronicles 19:2**. I had never heard a Baptist preacher use this as a text, and it struck close to home, as I realized I had been supporting the antichrists of Judaism without realizing what I was doing to my people.

At about this time, I was engaged in a lecture tour for the John Birch Society (this was during the Vietnam War years), where I tangled, quite violently at times, with the Communist radicals like Abbie Hoffman and Jerry Rubin, and their Communist organization, *Students for a Democratic Society (SDS)*. I had over 25 confrontations during this period and in every case, young Jews led the dissidents from wealthy families. (At this time I still believed the Jews were God's Chosen, as this is what I had been taught in the Baptist Church).

I was so intrigued with Jewish connections with Communism, that in the summer of 1979, I took off three months from a very busy speaking schedule to look deeper into this situation. I went to the Bible, and Jewish sources for my answers, and to my amazement found that Jewish leaders boasted about the part Jews had played in the Communist Revolution in Russia, even stating in their largest Jewish/American newspaper, "THE AMERICAN HEBREW": "What we accomplished in Russia, through Jewish brains and money power, we will do in America." Rabbi Stephen Wise, the leading rabbi in America said, "Some call it Communism; I say its Judaism!"

11

## *Background to betrayal*

The more I studied in Scripture and Jewish literature, the more I became convinced that these antichrists could not possibly be God's Chosen, and then suddenly realized that this is what Christ was trying to tell us in **John 10:26**. Yet when I brought this truth to the attention of the church and JBS leaders, I was termed an apostate and forced to leave the church and the Society.

I reasoned that if the message of 2 **Chronicles 19:2** was true 2500 years ago; it must be true today, since God's truth never changes.

Then I read in **1 John 2:22 & 23** the Scriptural definition of an antichrist and suddenly realized it fit the people I had been supporting as God's Chosen. Then I was *slapped in the face* with 2 **John 10 & 11**, which clearly states that if we support these antichrists in any way, we become "partaker in their evil deeds." This meant that for years I had been supporting those who were the principle murderers of our unborn babies through abortion, and those behind pornography, prostitution, and the dope trade in America. It was a sobering thought that drove me to my knees asking God for forgiveness.

I had been supporting those who Christ said were "*not of my sheep*", and whom He called "whited sepulchers filled with inner filth and poisonous snakes", and who refers to our Savior as an *illegitimate bastard* who condemned Him, and His followers (you and I) to spend eternity in hell, standing up to our necks in boiling excrement. Yet the church *slammed the door in my face* when I pointed out this truth, and have persecuted me ever since.

I have spent years studying the *treason* in our government, especially the State Department, which has been riddled with Communist since the days of NUR. Yet every attempt to bring this truth to the attention of national leaders has been rebuffed and ended in retaliation against many others and me. Even though we know and speak the truth.

God hates atheist nations, in spite of what your pastor may tell you about Him loving everybody. In **Psalm 9:17** we read, "The wicked shall be turned into hell, and *all* nations (including the U.S.) that forget God." I can't change that; it's an eternal truth. It does not matter whether you want to accept it or not!

Our vendetta today must not be against the Jewish people any more than against the extremists of the Arab world. It must be against the philosophy articulated in their religion, which looks on all non-Jews, as *goyim* they call us in contempt in Yiddish, which means "animal".

As I studied this problem I read a statement made by a patriotic Jew, named Alfred Lilienthal, a well known Jewish author, in his book "**THE ZIONIST CONNECTION**", "I believe I articulate the voice of many Jews who wish to think American, but who will not volunteer any expression of their innermost feelings, even though they may cheer from the sidelines.

## *Background to betrayal*

"I cannot tolerate for the Israeli turning me and others into hyphenated Americans of Jewish faith, who become 'second hand' citizens of this country. Yet today, if I wish to remain a Jew, I am bound to give to, and lend to the foreign state of the Israeli, in a manner in which non-Jewish Americans are not compelled to participate. I refuse to be a hyphenated American. I am neither an American/Jew or a Jewish/American, I am an American of Jewish faith, and the Israeli flag will never be mine." (The problem with this statement is that he cannot remain a Jew, if he refuses to support the aims of international Judaism!)

I doubt that any of you who have a watchdog, would be stupid enough to shoot the dog, if he barked warning of a burglar attempts to break into your home. Yet this is essence what the Christian church has done, to those who have given them Scriptural warning, concerning those who have openly stated their desire is to destroy us. There is no defense against such stupidity!

One of our most pressing problems has come, as we have forgotten the sage advice of the philosopher Edmund Burke as he said, "All that is necessary for evil to succeed, is for good people to do nothing." So while good Americans have been asleep, a bumper crop of noxious weeds has sprung up, and grown rank from the fertilizer fed them by evil men.

The Jews and aliens, although they have become "thorns in our sides, and pricks in our eyes, as God's Word predicted if we allowed them into the country, are not the *cause* of our problems, they are the *effect of White Christian disobedience*. (Read **Deuteronomy chapter 28** and see for yourself, especially **verses 43 & 44**.) "The stranger (alien) that is within thee shall get up above thee very high, and thou shalt come down very low ... he shall be the head, and thou shalt be the tail." If you can't see how this has happened, it's because you have been sleeping.

God warned His Israel people centuries ago, that if they allowed heathen to come into their land, they would lead His people astray, but as usual Israel thought they knew better how to run their country than God, and went their way, so that in the Book of Judges, over and over again we read, "And Israel did evil in the sight of the Lord, and the Lord sold them into the hands of their enemies."

Benjamin Franklin, America's senior statesman warned the Continental Congress, before the Constitution was adopted, that if we allowed Jews, whom he identified as Orientals, to come into our land they would so corrupt us, that within 200 years they would be running the country, and we would be mere flunkies.

The Founding Fathers would not listen to his sage advice, and what he prophesied has come true and today we are under Jewish control which is leading us into their planned One World Slave Plantation, and has added immeasurably to the hatred which has led to terrorist acts against this country.

## *Background to betrayal*

The Roman Senator Cicero once said that if it was impossible to know the truth and not be held responsible for it" Is this one of the reasons so many professing Christians refuse to listen to the kingdom message, although it is clearly shown in the Scriptures?

For years our pastor's have told us, "Get men and women saved, and they will save the country." It hasn't worked out that way, for as Christian ministries have expanded, and churches have become larger and more opulent, and more people declare they are *born again*, the moral and spiritual conditions in America have become worse and worse. Something is terribly wrong!

Possibly one of the most important lessons White Christians in particular must learn, if they are to remain *free*, is that *obedience to God must come before we can expect victory!*

This is a difficult message for our people to assimilate, when they are taught in their churches that Christ did away with the law, although both the Lord Jesus Christ and the Apostle Paul repudiate this. They are also taught they really don't have to be concerned about the threats from Communism and Zionism, as Jesus is coming back to *rapture* them from the results of their apathy, before things get *all that bad!* What a shock they are in for, if they don't wake up soon!

If God's Law has been done away as so many pastors preach, then how can there be any sin in the world? **1 John 3:4** tells us "sin is transgression of the law." If there is no law, then there can be no sin, and we know how foolish this kind of thinking is.

You see, my Christian friends, we will not lose our freedoms at 3 a.m. some morning, when a man with a red star on his hat, and a *Tommy gun* in his arms knocks on our door to haul us off to a concentration camp and elimination center. We will lose it when good people, like you and I see things which are wrong in our government, or schools, and yes, in our churches and sit back in our easy chairs and say, "There's nothing I can do about it everyone knows you can't buck city hall." When enough of our people feel this way, we will take *freedom* to the cemetery, bury her, and over her grave erect a headstone with this epitaph: "***Freedom*** in America died, because Christians didn't want to be bothered!"

One of the first things I learned in my study of Judaism and their connection with Communism, was that when Russia was struggling from their defeat in World War 1, the Communists whose leadership (according to bragging Jewish sources), was made up of over 80% Jews (of the 556 most important leaders in the Revolution, 457 were Jews, from New York's Lower Eastside), were financed by a \$20 million grant in gold, donated by Jacob Schiff, the international Jewish banker from New York.

They would like nothing more, than to see America embroiled in a big war in the Middle East that could escalate into World War III, and kill 100 million of our people. I am convinced, that our unholy support of these antichrists in Palestine is behind the hatred that led to the terrorist attacks in New York City and the Pentagon.

## *Background to betrayal*

Yet so thoroughly have Jewish propagandists spread their poison in the United States, that the majority of Christian people are convinced, in the face of all Scriptural and historical evidence to the contrary, that these Christ haters are indeed God's Chosen whom we must support, even if it means our destruction.

### **A warped mind is a terrible thing to deal with!**

The older Jewish immigrants who came to America were mostly Sephardim Jews of Mediterranean stock, with a smattering of Abrahamic blood flowing in their veins, albeit it came from Esau/Edom. (To see their fate, read **Malachi 1:2-4** and the book of Obadiah.) These Jews were overwhelmed by hordes of Russian Jews, Ashkenazi (the pseudo Jews of **Revelation 2:9; 3:9**) who our Lord said were, "Those who say they are Jews, and are not; but are of the synagogue of Satan." (Not my evaluation, but His.)

In a short time these Ashkenazi heathen dominated Jewish thinking with their Communist ideology. They set out to silence Jews who were sympathetic to the American Christian way of life.

We can see the purpose of these Talmudists (for that was the background of their Jewish religion), in their textbook "**PSYCHOPOLITICS**" (which is the art of controlling the thinking of entire nations). It was brought to America in 1936 and became the textbook for cadres of Communists in America, whose purpose was to overthrow our Republican form of government and bring us under Talmudic, Zionist/Communist control and into their New World Order.

In chapter twelve, page 52 of this book we read, "Just as in Russia we destroyed the Christian church, so we will destroy all faiths in nations we have marked for destruction. You must recruit every agency of that nation into a foaming hatred of Christianity. You must suborn District Attorneys, and Judges into intense hatred of Christianity, and cause the people to believe that the religion is bad, insanity causing, publicly hated everywhere and intolerable."

Could this be in fulfillment of Christ's prophesy in **John 16:2** where He said the day would come when those who killed Christians would believe they did God a favor?

It's interesting to note that most Jews are Democrats who donate vast sums of money to Democrat causes.

As early as 1913, the Democratic Party began wooing Jewish votes, and one of these aliens, Louis Brandeis, was named as a Justice in the Supreme Court.

The Encyclopedia Britannica, Volume II, pages 495-499, state that Brandeis was an active Zionist at the time of his appointment, who was at least partially responsible for getting us involved in World War I, against the wishes of the majority of Americans. His vision was a new cooperative One World Order, the same thing Bill Clinton and his Jewish advisors worked for.

## *Background to betrayal*

The first spectacular victory of these aliens from the steppes of Russia was to get President FDR (one of them), elected into office. When against the advise of Congress, he recognized the Communist government of Russia, many patriotic men in Congress pleaded with him not to do this. Puffed up with his victory at the polls, and the power that came from Zionist Communist Jews who had penetrated his Administration, he signed his name to a document that gave respectability to the most anti-God, blood thirsty government the world had ever seen, and America became partners in the murder of millions. We did not fight that war to preserve *democracy*, or save this country from the Nazis, but to make the world safe for Zionism.

In his fireside chats, Roosevelt assured American fathers and mothers: "I hate wah, and will nevah send American boys to fight on fawn soil, *Nevah! Nevah! Nevah!* Yet within a few months, as patriotic fervor was built to *white hot* heat by the Japanese attack on Pearl Harbor, we were at war. Today we face the same danger, as President Bush, *egged on* by the same unsavory group will do everything in their power to involve us in a war against the Arab world, which we cannot win, even with nuclear weapons.

When Representative Martin Dies, of the House un-American Activities Committee tried to point out the danger of Communist infiltration of our government, he was literally shouted down by President Roosevelt who screamed, "I am no more Communist than you; but we have no danger from Communism in this government and some of my best friends are Communist."

When Representative Dies persisted in his warnings, Roosevelt *let the cat out of the bag* by admitting, "We need Jewish votes and support." So neglecting his oath of office, to protect America from all enemies, foreign and domestic, he climbed in bed with Stalin and signed the death warrant for thousands of America's finest.

Many facts behind World War I and II, and the no win wars in Korea and Vietnam, prove that they were fought at the instigation of the International Banking gangsters for their benefit alone. America gained absolutely nothing from any of these wars, other than grief, tears, bloodshed and an insurmountable debt which gets more out of hand with every passing day.

The facts I have given in this message, plus many more, have been deliberately withheld from the American people, White Christians in particular. Could it be possible, that if our people knew the whole truth, we would *kick the Kha ar moneychangers out of the National Temple?*

Many Christians have been led by their church leaders to believe that the Jews are a deeply religious people, when by their own admission, the majority of them are agnostic or outright atheists. Very few of them have a feeling of prophetic righteousness, as our pastors like to believe, for their forefathers never set foot in Palestine, and never had a covenant with God, as the Israelites did.

## *Background to betrayal*

"f **Ac** Jew controlled media has been one of our worst enemies and a few years ago when Walter Cronkite, the head *guru* of CBS was questioned about his part in dispensing news, he smugly replied, "My job is not to tell the *truth*, I am an opinion molder!" (Remember that when you listen to the evening news on television, or read your daily newspaper.) You are told what the Jewish controlled establishment wants you to hear and nothing more. Sometimes it is many months after some major event takes place, before the truth comes out. Evil men cannot stand the spotlight of truth and Jesus said, "Men love darkness rather than light; because their deeds are evil." (**John 3:19**)

If you are honest in your search for the truth, ask yourself why truths stated by prominent church leaders, like the great reformer Martin Luther have been discarded by the church named after him? Luther knew the danger posed by Jewry to Christianity and spoke out against it in clear terms, and the Lutheran church authorities went along with modern Christian thinking, that the Jews are God's Chosen and discarded the truth, which declares that converts to Judaism are two-fold more children of hell than those who converted them. It has ever been thus when the teachings of men go contrary to the clear revelations of God.

Men, even so-called Christian leaders do not like to accept the fact that God knows more about how to run this universe than they do. So they stumble along in the darkness making one horrible mistake after another, until it reaches the point where God "*sells them into the hands of their enemies* ", as a means of disciplining them. (Read the book of Judges for confirmation.)

In **Hebrews 12:6** is a remarkable verse that more Christians need to consider. "Whom the Lord loveth He chasteneth, and scourgest every son that He receiveth." This is given extra emphasis in **verse eight** which says, "But if ye be without chastisement (and we know this is for disobedience) of which all (Christians), are partakers, then are ye bastards and not sons." If you claim to be a Christian, and disobey God without being chastised, then you are in a very dangerous situation.

Over and over again in recent years, we have seen the nauseating spectacle of Fundamental and Evangelical Christians, as they bow before the altars of Judaism, often putting these antichrists before Christ Himself.

President Bush, like ex-President Clinton loves to speak of themselves as *born again* Christians. They love to be seen going to church, carrying a Bible. It makes a good impression on gullible Christian voters. They know what the Bible teaches, so there is no excuse for putting aliens in control of God's people, in **Deuteronomy 17:15** we read, "Thou mayest not set a stranger (alien) over thee, which is not thy brother (kinsman)." Yet both the Bush and Clinton Administrations were riddled with aliens. Today we have one as our Secretary of State; one of the most important jobs outside of being President.

This was one of God's laws for national well-being. Your pastors may try and tell you it was done away when Christ died, but he has no Scriptural basis to stand on to support

## *Background to betrayal*

this idea. We would avoid the multitude of problems that arise when we have alien rulers, if we would obey God's laws, which were given for our well-being and protection.

There is a prayer in **Joel 2:17** that Israelite Christians should pray every day: "Spare Thy people O Lord, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, Where is their God?" This is what is happening today, as the Christian world falls down on it's duty to God and their fellowmen.

You may not like what I say, as it may go contrary to what your pastor teaches, but I challenge you to check it out against what God's Word says, and see who is right. (Always let this be the basis for your actions, for God will hold you accountable for His truth.)

For many years, fifteen of them as a Fundamentalist evangelist, I went around with my mind encased in *hardened denominational cement*. It took the dynamite of God, through a traumatic experience, to blow this away, so that now I can read my Bible and see what it really says, not what some pastor says it says.

I have been amazed at the answers the Bible provides for our national problems, and it covers all to them, even the most complex.

It interested me to note that only about 25% of the Bible deals with spiritual problems, the other 75% deals with national salvation and the necessity of living God fearing lives in order to have peace, safety and national prosperity. If you want a real eye opening experience, I challenge you to spend some time studying **Deuteronomy 28**, and see how it clearly outlines what is happening in America today.

It has been recognized for many years, the basic greatness of this country came not from military or economic strength, but from our belief and obedience to God, and reverence for our heritage. Our founding Fathers knew who they were. Do you?

While White American Christians in particular have been confused over Jewish propaganda, facts prove they are not God's Chosen people, and Jesus clearly stated this.

Recently it was discovered that thousands of Jews who had left Russia for Palestine for economic reasons had returned to their motherland. One was quoted as saying, "The so-called Jewish problems does not exist in Russia. It was artificially created and formed by the Zionist propaganda machine, to get Jews to migrate to Palestine. The Israeli are a backward people, a militaristic state, rife with inequality, racism and immorality. We are better off in Russia." Another Jewish immigrant said, "We Jews from Russia speak a different language and think differently. Nazi Germany brought less misfortune to the German people than Zionism is causing for the Jews. In the Soviet Union we were treated as human beings but in Israel we ere treated worse than slaves." These are Jews, speaking of their experience of living in the Jewish State of the Israeli.

## *Background to betrayal*

The Jewish author, Maurice Samuels, in his book "**YOU GENTILES**", page 154, says, "We Jews, we the destroyers will remain the destroyers forever. Nothing you goyim can do will ever meet our needs and demands."

Zionism is trying to create a world of it's own for their own purposes and will destroy everything in it's path to accomplish this. The destruction of White Christianity, according to their own words is their first priority.

A large segment of Christianity has been taught the falsehood that God no longer has a plan for *physical Israel*, but that under the New Covenant, He is working only with *spiritual Israel*, made up of His born again people from all nations (Although this term, is used nowhere in the New Testament).

One such writer, Leonard C. Lee, in his book "**CLOUDS OVER AMERICA**" says, "Since God rejected the Israelites as a nation (he gives no Scripture reference for this), we can look for the fulfillment of His purposes only in a spiritual Israel. The (physical) Israelites have now passed off the stage of action . . ." Men like this are saying God has no plan for physical Israel under the New Covenant.

Yet the writer of the book of Hebrews evidently thinks differently for in **Hebrews 8:8-10** he says, ". . . Behold, the days come, saith the Lord, when I will make a new covenant with the house of Israel and with the house of Judah (who are "mews): Not according to the covenant that I made with their fathers in the day when I took them by the hand to lead them out of the land of Egypt; ... For this is the covenant that I will make with the house of Israel after those days, saith the Lord; I will put my laws into their mind, and write them in their hearts: and will be to them a God, and they shall be to me a people:" So in spite of what Judeo-Christian pastors say, Israel has not been set aside in the "*closing out days of this age*", for God is going to make a new and better covenant with them than they had before. What more evidence do you need?

While some Judeo-Christians try and spiritualize this passage, the Israelites mentioned in this passage cannot be spiritualized for three reasons:

1. The context will not allow it, as the next verse indicates God is speaking to physical Israel: "Not like the Mosaic Covenant, I made with their (house of Israel) fathers . . ." The people spoken of here are clearly the physical descendants of the physical people Moses led out of Egypt.
2. The second reason is found in **Jeremiah 31:35 & 36**, which says, "Thus saith the Lord which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night. .. If those ordinances depart from before me, saith the Lord, then the seed of Israel also shall cease from being a nation before me forever." As far as I know this Godly order has never been changed; the sun still comes

## *Background to betrayal*

up in the morning, and goes down at night, and the planets continues on their planned courses.

3. This is bolstered by a witness in **Romans 9:3 & 4**, where the Apostle Paul says, "For I could wish that I myself were accursed from Christ for my brethren, my kinsmen according to the flesh: Who are Israelites; to whom pertaineth the ... the covenants. ..." Try as hard as you might, you can find no place in Scripture where God made any covenant with a people called Jews, while there are many New Testament Scriptures which indicates that God still continues to work with the physical nation of Israel. (The forgoing proof comes from a pamphlet titled "**COULD YOU BE AN ISRAELITE AND NOT KNOW IT?**" published by THE JUBILEE, P.O. Box 310, Midpines, CA 95345. The writer of the article is unknown to me.)

The purpose of this message is not to blast the Jews and show them up as the *synagogue of Satan*, but to show you how White Christian Americans, have been remiss in our duty to God and country by allowing these aliens antichrists to control our country, our people, and to destroy the effectiveness of the Gospel of Jesus Christ.

Some people tell me we have gone too far; that the enemy is too deeply entrenched, and that we should compromise in our effort to survive. Christ's kingdom has no plans for surrender, and like in the days of Gideon, it is time to tell the cowards, "*Go home and prepare to die, before you infect our true soldiers with your cowardice!*" (See **Judges 7:3**). We do not need a vast army, or even the help of the anti-God aliens who dwell in our midst.

We have a **FORMULA FOR SURVIVAL** that will work, because God said it would. It is found in 2 **Chronicles 7:14**, and was given to King Solomon of Israel over 3,000 years ago. Many of you know it by heart, "If my people (White Anglo-Saxon Israelites), which are called by my name (Christian), will *humble* themselves, and *pray*, and *seek* My face, and *turn* from their wicked ways; then will I (God) *hear* from heaven, and will *forgive* their sin, and will *heal* their land." It says nothing about the heathen repenting, or of nonIsraelites in the land turning to God. It clearly states *my people*, Israel. The burden of *survival* rests on our shoulders. As Christian Israel goes, so will go the American nation.

Must we be driven further to our knees and have our noses rubbed further in the dirt, before we listen to God, obey Him and be saved, both physically and spiritually? It has always been thus, that, "the way of the transgressor is hard." It is extremely sad, that many of our people must be beaten to a pulp, before they will accept God's plan of survival. You will not *survive* if you continue to do your own thing!

I fully believe, that if 1/4<sup>h</sup> of the people in America, who go by the name Christian, were to *fall in love* with their Lord, and strive to obey Him; we would see God work His old time miracles for our preservation. He did it for Old Covenant Israel, what makes you think He would not do it for New Testament Israel? Yet the Scriptural, `By their fruits

## *Background to betrayal*

shall ye know them," indicates that many who go by the name of Christian, have never had a born again experience that changed the direction of their life. They may have had an emotional experience, but never wrought by the Holy Spirit as he came in and cleansed them. So they continue living a lie while continuing *a life style* pretty much as they had before. This leads to the *lukewarm*, Laodicea church of **Revelation 3:14-18**, which is extremely unpalatable to the Lord, and which He says he will, "spue (spit) out of His mouth (**verse sixteen**)."

Nowhere does the Bible promise an easy life for the believer. "But as it is written, eye hath not seen, nor ear heard; neither have entered into the heart of man, the things which God hath prepared for them that love (obey) Him." (**1 Corinthians 2:9**) or as the old Gospel song says: "It will be worth it all, when we see Jesus!"

I like this statement from the Alan Payton book, "**CRY BELOVED COUNTRY!**" I shall no longer ask myself is this or that expedient, but only if it is right. I shall do this, not because I am noble or unselfish, but because life slips away, and because I need for the rest of my journey a star, which will not play me false ... a compass that will not lie! I do this because I am no longer able to aspire to the highest with one part of me and deny it with another."

If you are a *genuine* Christian, you have this compass, if you are willing to utilize it. It is your *faith* in God, and His Word, and obedience to it! Then and only then, can you have victory and realize God's promise in **Isaiah 54:17** - "No weapon that is formed against thee shall prosper, and every tongue that shall rise up against thee in judgment, thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord."

We sing: "Must I be carried to the skies,  
On flowery beds of ease?  
While others fought to win the prize,  
And sailed through bloody seas?  
*No, I must* fight, if I would reign;  
Increase my courage, Lord,  
To bear the toil, endure the pain,  
Supported by Thy Word!"  
(See **Revelation 3:21**)

*Remember* always: "Righteousness (obedience) exhalteth a nation while sin (disobedience) is a reproach to any people."
