From the Watchman's Corner

Give Me Ten Men

"Righteousness exhalteth a nation, but sin (disobedience to God's Laws, 1 John 3:4) is a reproach to any people." (Proverbs 14:34.

This message has been preached before and some of you will). recognize it. But it's message is so impor4tant at this time, I feel the need to repeat it Patrick Henry was credited with saying: "For my part, whatever anguish of spirit i t may cost. I am willing to know the whole TRUTH; to know the worst, and provide for it."

The American Educator, Horace Mann said: "It must be a bad issue which cannot bear discussion, as TRUTH always seeks the LIGHT."

Jesus Christ said: "If you will know the TRUTH, the TRUTH shall set you free." (John 8:32), and again: "Men love darkness rather than light, because their deeds are evil," (John 3:19).

In this message I am going to look at some thorny issues that are destroying America, and see if we can find the TRUTH, and an answer for them.

It is only fair to warn you that you may disagree with some of the things I mention, and ever get angry with me for saying them. So be it! I am not saying them to "ruffle your feathers," or win a popularity contest, but because they are TRUE!

I hope that when you have finished reading this message I will not have to say along with the Apostle Paul to the church at Corinth: "Am I therefore become your enemy, because I tell you

the truth?" (1 Corinthians 15:26).

Unfortunately, White Christian Americans, who once prided themselves on accepting TRUTH, have become so "brainwashed" by the enemy propaganda, that the TRUTH today, often makes them feel uncomfortable and therefore angry.

Immediately when the term "White Christian" is brought up, the words "bigot", or "racist" are apt to pop up. Yet it is an observable fact of history, that Christian nations, known as Christendom, have been the only people who have openly accepted the Gospel of Jesus Christ. Only these people have built their Constitutions around active in spreading who feed the world's these attributes are "true Israel." So if being proud of these accomplishments, and being White make me a "racist", then I am proud of it. If Blacks have the right to say: "Black is beautiful," without being "racist", then But today, in this first year of the new Millennium, the White race is in a mess in America, and I have the right to be proud of my people and what they done for mankind.

I have around the world, and is headed for oblivion unless corrective measures are taken soon. I also refer to White Christians for they were the ones who built this nations with the help of and OBEDIENCE to God made it great.

The problems I discuss in this message are so very serious, they could well lead to the "destruction of White Christian civilization", which is the openly avowed objective of our enemies. White Christians in particular MUST be reached with this TRUTH, if they are to survive.

Whether you are willing to accept this or not, it is as 49 mentioned before a readily observable fact of history, that only the White nations of Christendom have readily accepted the Gospel of Jesus Christ. All colored nations have only been reached with the expenditure of much money, much hard work, and often danger to the missionary.

Only the nations of Christendom have fashioned their Constitutions on God's Ten Commandments.

Yet today, unless we allow the light of TRUTH to illuminate our problems, we could very well lose everything which is dear to us, including our FREEDOM, our right to worship God very lives.

In this message I want to talk about men and women of Christian courage, who are willing to "make up the hedge and stand in the gap", before Almighty God, so He will not destroy us, (Ezekiel 22:30). I am speaking of the preservation of our race and our Israel heritage.

The reason I will sometimes be harsh in my evaluation, is because I will be speaking about your and my survival, not in the future, but right now. The subjects I discuss will not be popular with many in the church world, who have been brought up on a "diet of spiritual pabulum," which tells them only the pleasant things they want to hear, which makes them feel good. Or as Evangelist Oral Roberts would say: "Something good is going to happen to you today!"

The often harsh TRUTH has become a spiritual "No! No!" in most churches, because it does not make people feel good. These unpleasant things MUST be discussed if we are to develop a solid basis for defense.

I would like to illustrate what I am trying to get across by telling you two stories.- The first is about renegade Whites who have joined the enemy. They may not even know it and may believe they are working for the Lord, but their fruits show otherwise. In Northern Mississippi is an old wooden Negro church, now abandoned, which was once quite active. Many years ago, in the fall of the year, the colored folks were having a revival meeting. The windows and doors were open as it was quite warm.

Some of the older White boys hoping to have some fun at the Blacks expense, dressed one of their fellows in a devil's costume, and in the middle of the sermon propped him up in one of the front windows. There was an immediate evacuation of the church except for one poor old lady who had arthritis so bad, she could hardly walk. As the devil clambered through there needs to know somethin bout me. I specs you knows that I'se the head

of the W.M.S. and that I've taught Sunday School for a long time. But one thing you don't know is that I've been on your side all along?"

A funny story, but all too true of many who go by the name of Christian. Jesus said these would remind Him on the Judgment day of all the good things they had done. How they healed the sick in His name, cast out devils, no doubt taught Sunday School, or directed the choir, and baked cookies for the church Bake Sale, and He would, tell them: "Depart from me; I never knew you!" "For by their fruits, (not by what they say) shall ye know them."

When I think of folks like this old Negro lady, I'm primarily of White Christians who attend Judeo-Christian where they are taught that their foremost enemies, the Jews, are God Chosen. His Son, Jesus, whom we claim as Savior, said no! in, (John 10:26). The idea that these enemies of God MUST be supported at all costs is destroying Christian America, and making us hated world wide. (We will discuss more we go along).

My second story deals with "loss of perspective," and is one of the greatest problems nominal Christians seem to have. This comes when we see things taking place, and can't see or often won't see what is actually happening. It's sort of like the "hall of mirrors" in the "fun house" at the County Fair. What you see isn't the real you. The enemy has become very clever at changing the TRUTH into a lie, and fooling Christians. The Apostle Paul, in (Titus 1:10,11) warns us about this, listen carefully: "For there many unruly and vain talkers, and deceivers, specially they of the circumcision (Jews); Whose mouths must be stopped, who subvert whole houses (households), teaching things they ought not for filthy lucre's (money's) sake."

on the warm afternoons to "shoot the breeze." I remember one in particular, an ex-alligator hunter. He said: "'Taint hard to catch gators if you have the right bait and equipment. You need a loaf of bread, a dull hook, a pair of tweezers, a match box and a telescope." Here is how he used this odd equipment: "Go out on the banks of a river where you knew gators hang out and find a big shade tree near the river's edge. Lay your equipment down where it's easily accessible and sit down and relax as

you read your dull book. Soon you will become sleepy and this is and look at him through the wrong and take your tweezers and grab the little gator you see there and put him in the matchbox. It's as easy as all that." perspective" that can be fatal! So in dealing with spiritual had become exceedingly unpopular in the American vocabulary, but which should appear on the front page of four daily newspapers, and be shouted from the pulpits of the land.

Many years ago a political philosopher said: "Treason prospers, what's the reason? for when TREASON prospers, none dare call it TREASON." We are living in that age today. It is prospering in government, in education, in the military and often in the Christian church, and most folks don't want to "touch it with a ten foot pole." We are frightened by TREASON, as we should be, for as Cicero said centuries ago: "Treason rots out the heart of a nation and destroys the pillars of society." It is difficult to detect TRAITORS, for they often look like respectable folks who often come from the "cream of society."

Many unscrupulous men and women are getting extremely wealthy in America through TREASON. Some of these are professing Christians who clutter up the airwaves with their religious TV programs, while they feed our gullible people with garbage which turns them from being "front line soldiers of the cross," into docile foxhole dwellers, who fold their holy hands as they which was caused by their Christian apathy. It is a pretty reliable "rule of thumb", to expect preachers who are on National TV, to bypass those extremely important things which the mainline churches will not touch, for if they preach the "Whole Counsel of God's Word", they will not remain on National TV very long. This is one of the major ills of Judeo-Christianity. In (Jeremiah 23:18) we are told: "But if they (the pastors of Israel) had stood in my (God's) counsel, and had caused my people (Israel) to hear my words, then they would have turned from their evil saved by grace," when they are actually Israelites, God's Chosen People, "saved by His grace." Being Israelites, they have special obligations which many Christians do not want to accept.

You don't fill the football stadiums with religious services by preaching the "whole TRUTH", for few White people are willing to accept it and our enemy does everything in his power to keep

the TRUTH from our people.

Many Christians will tell you: "We have never had any trouble with anti-Christ's, and this is often because they cannot recognize them, even when they stand in the pulpit of their church, and because they have never taken a stand against them. "

Have you ever wondered why a man or woman could take office in Congress with a modest income, and by the end of their first term be a multi-millionaire? "When TREASON prospers; none dare call it TREASON!" Common sense tells us that something somewhere.

The conditions in this beloved land are far too serious to suggest anything but the harshest appraisal. We MUST get across to the "rank and file" American citizen, no matter what their color or creed; Christians in particular, that the enemy is not "playing games" with us. This is "hard ball," for survival. We MUST also get across to our elected leaders that "we the American public" are going to hold them accountable for their actions and for living up to their "oath of office". Far too often professing Christians have been derelict in our duty to God and country and have encouraged TREASON in our elected leaders by our apathy..

It is the White Christians of America the enemy has "pinpointed for destruction," they openly boast of this. It is our duty with the help of God, to see they are not successful, for if they succeed, the results will be too horrible to contemplate.

We are engaged in a War for survival, not only of the White Race, but for Christian Civilization. Its outcome will decide the destiny of our country and its people for centuries.

When I mention TREASON, I am, thinking of the Constitutional definition as found in Article I, Section 3 of our Constitution. Here in words any Fifth Grader can understand it says: "TREASON shall consist only in levying war against them; adhering to their enemies, giving them aid and comfort." So any thinking person can readily see where TREASON is being committed in, and

by our government.

When I was a boy, several centuries ago, there was a song I've never forgotten that went something like this:

"Give me some men, who are stout hearted men,

Who will fight for the right they adore. Start me with ten, who are stout hearted men, I'll soon give you ten thousand more. Oh shoulder to shoulder, and bolder and We shout as we march 'gainst the foe;

When stout hearted men shall stand together man to man

My intention is not to glorify these men, although they have taken a stand throughout history for

God and their Israel people. Men and women like Patrick Henry, Roger Williams, Benjamin Franklin,

George Washington, Paul Revere, and Molly Pitcher. You remember Molly don't you? She was the gal who stood behind that Revolutionary War cannon and kept firing it after her husband was killed,

and a host more. We have some like that today. Pastor Pete Peters, Earl Jones, Gordon

Kahl, and his wife Joan, and others who stand up for the TRUTH and refuse to be

intimidated by the enemy. Duty to God, race, country and

more years as complacent Zionist slaves. They would "die on their feet as Israelite men and women," than

"live on their knees as slaves of the anti-Christ."

Of course our Zionist controlled press, vilifies them as "terrorists" and "religious extremists." It has ever been so.

Most of you will remember the Old Testament story of how the undermanned, badly armed and trained Israelite army was challenged the Israelite army. Goliath shouted: "Why are ye come out to set your battle inarray? am not I a Philistine, and ye servants of Saul? choose you a man for you and let him come down and fight with me. If he be able to fight with me and kill me, then will we be your servants: but if I prevail and kill him, then will ye be our servants and serve us. I defy the armies of Israel this day; send me a man that we may fight. " The Bible account says that when they heard Goliath's words, Saul and all Israel were greatly afraid for Goliath was a huge man, twice as big

as any in Israel including King Saul.

You remember how Jesse's three eldest sons were in the Israelite army. Jesse sent his youngest son David to the battlefield with some homemade goodies for his brothers, and while there he heard Goliath's challenge which had gone on for forty days (vs. 16), and was amazed because none of Israel answered him. David was angry and said: "What will be done to the man who killeth this uncircumcised Philistine and taketh away the reproach from Israel"? His brothers got mad at him and his eldest brother Elhiab got told David: "Why did you com here, you little punk. Why did you leave those few sheep and come here. I know your pride, and the naughtiness of your heart. You just came down to see the battle."

And David told him: "What have I now done, is their not a cause for my anger?" Someone who heard him went to King Saul and said, "I have found a man in Israel who is not afraid of the Philistine". So Saul sent for him. When he saw that he was only a boy, probably a teenager, he said: "You are not able to fight this Philistine who is a man of war. " And David told the king, how while he was keeping his father's sheep a lion came out and took a lamb out of the flock and how he killed the lion. He told Saul, "as God delivered me from the lion and the bear, as God will he deliver me from Goliath, seeing he has defied the Living God." Saul tried to outfit him in his armour, which was far to big for him, and instead he went out in his shepherd's garb, armed only with his sling and five smooth stones he picked out of the riverbed. It is interesting to "read btrween the lines," and knpw that David knew that God's strength, he would be victorious. He never doubted for a minute, although according to human considerations all the odds were against him.

When Goliath saw his enemy and that he was merely a boy, he became furious and said to David: "Am I a dog, that thou cometh against me with staves? Come closer and I'll give your carcass to the birds of prey, and beasts of the field", and he cursed David in the name of his gods. The Bible says David replied: "You come against me with a sword and spear and a shield, but the armies of Israel whom thou hast defied," and fitting a stone to his sling, and

twirling it about his head, he let fly, and the stone sunk into the giants forehead toppling him like a tree struck by lightning. When he fell, David cut off his head with his own sword. The faith chapter (Hebrews 11) mentions this and says, speaking of David and other heroes of the faith: "Who through FAITH subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions." Yes, my frightened Christian Israelite friend, we Israelites have been promised VICTORY if we OBEY God.

Like David told his brother: "Is there not a cause in America today, for us to be disturbed and angry? How can we stand silent, while the heathen anti-Christ's of Judaism curse our Savior and King, and call Him, an "illegitimate bastard" and those who claim to love Him call His worst enemies His chosen? It's no wonder we are losing the war with Christian soldiers fighting for the enemy cause. If you back Judaism, you are in the enemy camp, regardless of what you may be told by Judeophile televangelists like Jack Van Impe and Jerry Falwell, who benefit financially for their support of the enemy.

There are some so-called Christians who will give you the lame excuse for not becoming involved, by saying: "Well it's written in the book of Revelation that the anti-Christ will take over and there's nothing we can do to stop it. In fact we would be fighting against God if we tried." So they "roll over and play dead," while the anti-Christ moves in unopposed. We read in (Revelation 12:17) that "the dragon, (symbolic of the anti-Christ) was wroth with the woman (Israel) and went to make war with the remnant of her seed, which keep the commandments, (are obedient to) of God and have the testimony of Jesus Christ." (So it becomes obvious that at least a remnant of Israel is still fighting.) (13:7) says that the anti-Christ was "given power to make war with the saints, and to overcome them..." (Vs 8) says that "all whose names are not written in the book of life of the Lamb, shall worship him". (Again an indication that there will be those who oppose him.) The TRAITORS will get their comeuppance, when God has had His fill of their blasphemy, (see Revelation 14:9-11). Then in (Revelation 15:2) for those of you who believe we should not stand against the anti-Christ we read: "And I saw a sea of glass mingled with fire: and them

that had GOTTEN THE VICTORY over the beast, and over his image, and over his mark, stand on the sea of glass..." My Christian friend, you don't gain the VICTORY over evil unless you first put up a fight and we have the assurance from God Himself, that if we are OBEDIENT we will be VICTORIOUS!

The teaching that we MUST not put up a fight against evil, is one of the most damnable heresies of the modern church. If the early Apostles had believed this, the Christian church would never have made it through the Jewish and Roman persecution of the First Century A.D.

Jesus, our King, said: "Occupy (be in the front line of the battle) until I come!" (The English word OCCUPY comes from Christians we MUST "busy ourselves" with the King's business, which in this case is to stand against evil.

I believe that one of the MOST pressing needs in the church in America today, is men and women who have enough "spiritual fire", they will raise some smoke, as they exhibit a trait that was once common to Americans, called "righteous indignation." Instead for the most part we have become a generation of "Yes, men and women who will bow down to those in power, whether they are in government or the church, right or wrong". Even when we KNOW they are going against God's will.

Today, most Americans, including many Christians, are satisfied with a good roof over their head, three square meals a day, a nice car in the garage, a TV set to watch and a six pack of beer. Given these things, they will sit complacently staring at the "boob tube" while the country "goes to hell." No wonder we are losing the war!

In order to understand this Christian APATHY, I MUST speak about FEAR. I know it's a negative subject and we don't like negativism the problems that beset us.

There has never been a decent mother who has not been concerned, or possibly even frightened for the safety of her children.

and the effect this would have on their family. This is normal and good; it is part of being good parents.

Brave men and women often disregard their own safety and comfort and overcome their fears in order to do what they consider to be their duty. I have been privileged to fight beside Americans in two wars, and have a few medals to prove it, including four Purple Hearts. I know something about the "gut wrenching fear" that can immobilize a man and make him helpless and I have seen men overcome this fear, to throw themselves on an enemy grenade that landed in their foxhole. Jesus said: "Greater love has no man than this. That a man will lay down his life for his friends," (John 15:13).

There is nothing wrong with FEAR when it is controlled. It can even become an asset. The Christian, and by this I refer to a "genuine one" needs not to be afraid, for we are told in (2 Timothy 1:7) that "God hath not given us the spirit of FEAR; but of POWER, and of LOVE, and of a SOUND MIND," and that "There is no fear in LOVE; but perfect LOVE casteth out FEAR ... he that feareth is not made perfect in love," (1 John 4:18). It is this kind of love that will make a mother dash into a flaming room in an attempt to save her child.

The true story is told of the Roman Centurion (that's like an Army Captain, who was in command of a hundred men), who was questioned by his commander during the Nero persecutions. He was asked: "Are you a Christian?" to which he proudly replied: "I am!" His commander said: "you and have found a way to save you. All you need to do is sign this parchment stating that you have gone to the temple of Jupiter and renounced Christ." I won't even expect you to that. Just sign this paper." But the young Christian threw his head back and shouted so all could hear: "Jesus is Lord!" and the next time they had a game at the arena, they burned him as a tar covered torch, so they could see to kill

other Christians. You may say: "He died needlessly!" But it was courage like this, which overcame fear, that allowed to survive the Jewish/Roman persecutions of the First Century A.D.

When we allow FEAR to burn up our vital reserves of adrenalin, then we become cowards, morally and physically. When we chew off our fingers to the first knuckle through FEAR, every time the enemy sneezes, we have lost the war before the first shot has been fired. This of course is what the enemy wants. Nicolai Lenin the Talmudic/Communist father of modern Communism predicted of America: "They will become so morally and spiritually decadent, they will drop into our laps, like overripe fruit, without firing a shot." including evil men and women. He was speaking preserved with a good deal of effort on the part of Christians. It does not come naturally.

In spite of the effort by the controlled media to paint Christians as "paper tigers", we have proved our physical and spiritually many times during our short history.

Why do you suppose the "left-wing, pro-Zionist, One-worlders" want to get rid of us, as they have stated over and over? Why are they so anxious to disarm us? Why do highly paid prostitutes like Peter Jennings take such a delight in castigating gun owners, and pointing out how dangerous we are to the rest of the country, when the vast majority of us are "decent, hard-working, God-loving, law-abiding folks"? We love freedom and other Americans enough to be willing to die for them. Could it be that we cannot be intimidated, or bought by the enemy, and that we are the only folks who stand against their plans for World takeover? This knowledge literally "scars hell out of them."

The trouble with many Christian Americans is that we tend to place our courage in the wrong place.

COURAGE is a great deal like LOVE, there is plenty to go around, it is the matter of distribution that causes the trouble.

The teenager who shows his courage behind the wheel of a high powered car, as he plays the "game of chicken," on a country road, may be brave all right, but he is misusing his courage and becomes a danger to

others.

In the days which lie ahead, we are going to need men and women who will use their courage in the right place, and in the right way!

Many of us have a fatal tendency to look at what's happening shrug our shoulders and say: "The odds are too great, everyone knows you can't buck City Hall."

If we could get professing Christians out of their spiritual foxholes, where they are waiting for Jesus to Rapture them out of the mess caused by their own apathy, it's possible we could make some spiritual headway. My personal opinion is that the Rapture Doctrine, (the word is not even found in the Bible), is one of the most potent weapons in the hands of our anti-Christ enemies who love to promote it to the extreme. It has neutralized millions of potential Christian soldiers and completely emasculated them spiritually. When I was on the evangelism field, speaking about the dangers from Talmudic Communism, I had many good folks say: "Brother Mohr, we believe everything you said. But we are 'born again' you know, and we don't have to worry about things like Communism, because Jesus is coming back to take us out of this wicked old world before it gets all that bad!" They either haven't studied their Bible very well, or they have been "taken in" by some religious charlatan who stood in the pulpit of their church teaching fables.

Instead of having the "Rapture mentality", if we get into the fight, and remember that our God is still in charge of things, and that He doesn't "balance His books at the end of every year," as men do, but that a "Day of Reckoning" is coming. (See His Parable of the Wheat and Tares in Matthew 13:37-43). Then His angels will do the sorting out and destroying.

Evil men and women believe they are getting by with their wickedness, but we KNOW as surely as "day follows night", that: "Be not deceived, God is not mocked; for whatsoever a man (woman) soweth, that shall they also reap." (Galatians 6:7), and this admonition was written for Christian

Israelites as well as wicked infidels. If we are solidly "rooted and grounded in Him", we can say: "Fight on Christian soldier, if you are OBEDIENT, you will be VICTORIOUS!"

God alone knows what would happen in America if professing Christians would become involved. Too many Ar us are like the woman who was beaten and raped in Central Park, New York. A tourist found her lying on the ground, covered with blood and asked: "Lady, shall I call the police?" And she replied: "No, please don't. I don't want to becdome involved!"

But my Christian friend, you are already involved if you call yourself a Christian, whether you are willing to admit it or not. The question is: "Whose side are you on!"

Not so long ago, a woman by the name of Fay Chamberg addressed the Talmudic Assembly in Johannesburg, South Africa, which was then headed by a radical rabbi named Rabinovich. She said: "We South Africa, since this is the only hope of the Whites for survival. We must with all speed poison the minds of the White populace against this racial evil in their midst. During the time of the Anglo-Boer War, we made the mistake of not exterminating their stinking women and children. We only annhiliated some 20,000 of them. Now we have the power and the Cape Dutch are cringing and at our mercy. The Boers MUST be erased for two reasons. First because of their nationalism, and second, because they are Christians." (This is typical Jewish/Talmudic hatred for all Whites, especially Christians). She received a standing ovation from the assembled rabbis.

This is only a tiny example of the virulent hatred that International Jewry, (and these include some of them you may be supporting through your Judeo-Christian church), have for you as a Christian. This is the same fate Jewry has planned for the United States and Canada. Utter extinction! one way or the other!

In the August 10, 1920 edition of the leading Jewish newspaper in America,. THE AMERICAN HEBREW, published in New York City, we read: "The Russian Revolution was the work of Jewish brains and planning

whose goal is to create a New World Order. What happened in Russia, shall also through Jewish mental and physical forces, become a reality over all the world." Their special these three nations of Christendom, have been foremost in opposing Jewish takeover, and exposing their plans.

Our founding fathers stated in the Preamble of the U.S. Constitution: "When evidence shows that our government intends to take away our freedoms; it becomes not only our RIGHT, but our DUTY, to throw off that government, and provide something which will defend our freedoms." Congress take note!

I am personally convinced that if 1/4th of the White people in America, who call themselves Christian, were to "fall in love with King Jesus", to the point where they put Him first in their lives and strived to OBEY Him, instead of "doing their own thing", we could turn this nation around in a very short time. (IT WILL NOT BE DONE THROUGH POLITICAL EFFORTS! The very nature of the political beast makes this impossible.)

If we were to fall in love with the King, we would eject the "money changers from the national temple" and get back controlling our own currency. This in itself would alleviate many of our national problems, and Congress could accomplish this by a vote, just as they saddled us with the Federal Reserve this will not happen until decent Americans force Congress into doing their sworn duty, instead of bowing before the power of our Jewish overlords.

Instead of being content to fold our holy hands in prayer, as we ask God to handle the "dirty end of the work" He has given us to do, we need to "put feet under our prayers." Lest you think I do not believe in prayer, this is not so, for I believe like my grandfather did when he said: "There have been more good things wrought by prayer than this old world dreams of. For the whole world is bound about the feet of God by the golden chains of prayer." But like him, I believe when a man prays on a hoe handle." "Prayer without WORKS, is like FAITH without works; DEAD] being alone," (James 2:17).

Prayer to be effective MUST be heard by God, and the Scripture indicates there are times when God will not even listen to our praying. In (Isaiah 59:2) we read: "Behold, the Lord's hand is not shortened that He cannot save; neither is His ear heavy that it cannot hear: (He as not lost any of His power and is still the same God that opened the Red Sea for the Israelites and shook down the walls of Jericho). Then vs2 says: "But your (Israel's) iniquities have separated between you and your God, and your sins have hid His face from you that He will not hear." Have you ever heard those two verses used as the basis for a sermon on OBEDIENCE? In over eighty years of attending church, I never have.

Have you ever wondered why with over 54-million "born again" Christians in America, we are "headed for hell" at a faster rate now than ever before in our history? With larger and more yearly, this evil trend continues. Something MUST be drastically wrong.

Could it be that many of those who call themselves Christian are like the folks Jesus spoke about in (Matthew 5:13), when He referred to "salt that has lost its savor (saltiness, its ability to act like salt and hold back corruption?)" I'm sick and tired of listening to Christians who say: "This world is not my home, I'm just passin' through," yet every Sunday they pray the Lord's prayer that says: "Thy Kingdom e;^k Thy will be done, on earth as it is in heaven.

I wonder how many American Christians would dare to confront by Jewish/Communism, and tell him how they were going to be Raptured. It is one of the most selfish, dangerous doctrines that has ever been invented by unsaved men.

The problem is that many who say they believe it, really don't. They are like the young Baptist preacher, who told me several years ago: "Brother Mohr, the Lord will come back to Rapture us before the end of this year". I knew he didn't really believe this, for he had just increased his life insurance, and was putting money in the bank every month to send his children through college. But when I mentioned this, he got angry with me.

If Christians really believed Christ would return soon, they would allow nothing to stand in

the way of doing the King's work. They show by their apathy that they don't believe what they profess. As the Apostle James said in (James 4:3) - "Ye ask and receive not, because ye ask amiss (wrongly), that ye may consume it on your own lusts (fleshly desires for material things)".

I'm sure most of you will agree that we are living in the most shameful period of America's history. Could the reason be that so many of our people live in FEAR, is because they have neglected the warning found in (2 Chronicles 19:2): "...Shouldst thou help the ungodly? and love them that hate the Lord? Therefore is wrath upon thee from before the LORD." Some of you who read these words may be guilty of this because of your support of the anti-Christ's of Judaism.

Now you understand what I mean about this being a harsh message to swallow. But unfortunately, it's true and you will gain only

Take the time to study (Deuteronomy 28) and see how God is now punishing Christian America, and by this I refer to White Anglo-Saxon Israel. In (vs. 33) we are told: "The Lord will cause thee to be smitten before your enemies!" (We lost the wars in both Korea and Vietnam., in spite of all the lofty words from our leaders about having a "peace with honor." We lost, not because of the lack off bravery on the part of our fighting men; not because of inferior equipment, but because of TREASON in the surely as if Iraq had whipped us, and there is no telling of the damage that was done to our service people in that "turkey shoot", which our government refuses to admit to this day.

Now we are about to become involved ina big war in the Middle East, which could destroy us. Yet our leaders refuse to listen to God's Word!

(Vs 25) in this same chapter says: "The fruit of your land and your labors shall a nation which you know not, eat up." that has been foisted off on us by the Democrats "open immigration policy". America is

shaapping over \$365-million worth of food to the Soviet Union, and billions more to the Third World Nations, many of whom refuse to help themselves but spend it on military hardware, and so their leaders can live "high on the hog." According to our own Agriculture Department, we are now down to less than a six months emergency supply of food. Ten years ago we had enough to last ten years, but under the Democrats "give away programs," which garner many votes, we have little left.

For fifty years we were warned about the Evil Empire of Zionist/Communism and how our government and people were the only thing that stood between us and slavery or extinction.

Yet the TRAITORS in our government siphoned off trillions of tax dollars, while on at least fourteen major occasions during this fifty years of Cold War, whenever the Soviet Union was on the verge of financial collapse, our government "bailed them out and put them on their feet again," with our tax dollars.

The words of (vs. 43,44) have been proven true: "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low... he shall be the head, and thou shalt be the tail".

We have been under enemy control since 1913, when a "chicken Congress" passed the Federal Reserve Act. We have fulfilled the promise of one of the Rothschild's when he said: "Give me control of a nation's economy, and I care not who makes her laws.

Always when we forget God's Laws, we come under the harsh control of the enemy. It has always been thus!

We have not had an American government in Washington, D.C. since F.D.R. took over in 1933.

It hasn't mattered whether Republicans or Democrats have been in the "driver's seat". It's no wonder that a high ranking Israeli official could boastfully state: "We Jews have the best Congress money can buy!" While over 70 out of our 100 Senators, regularly vote the "straight Israeli ticket." When you see the term Z.O.G. being used, it's true, as it means ZIONIST OCCUPATION GOVERNMENT.

What has happened in America that the patriotism of a Patrick Henry who shouted: "Give me liberty or give me death, degenerated to the lows shown by the NATIONAL COUNCIL OF# CHURCHES, who has called for surrender before the first nuclear bomb falls on American soil, and their watchword has become: "Its better to be Red, than dead!"

Why has the statesmanship of America fallen from the high point shown by the Monroe Doctrine, that protected this Hemisphere for years from foreign invasion, to the low degree of "chickenship" seen in the Clinton Administration which openly sold America's military secrets to our enemies in Red China?.

Today we are being governed by the tenth consecutive Administration which has tried to transplant the heart of a chicken into the American eagle, and I for one am sick of it!

The time has come when decent Americans of all colors and creeds, MUST say to our government: "This is far enough! We will excuse "Unchristian, thinking", you may say, but I think not, for it is the same kind of action taken by our Savior when He overturned the money changers tables and drove them out of the temple with a whip He made, and accused them of being "poisonous snakes."

Our Lord was not the "week little sissy" many church folks make Him out to be. He is no longer the helpless "babe of Bethlehem", but heir to the throne, as King of kings, and Lord of lords. Soon every knee will bow before Him, even those skeptics who now blaspheme His name, and persecute His people. Would you dare call your Savior an "anti-Semite" or a "hater monger"

for referring to the anti-Christ's of Judaism as "poisonous snakes?" You would do so to your own peril!

Since the end of World War II, we have seen a succession of actions by our national leaders, which in earlier days in this nation, would have earned them the "end of a rope." For they have been TRAITORS.

It's far past time for Americans, especially American Christians to stand up and demand that our government protect our borders from illegal alien invasion. One of the surest signs of national deterioration, comes when a nation refuses to do this. If we Bosnia, surely we can afford to have them patrolling our national borders. That's their sworn duty, to protect these United States from foreign invasion.

While the "bleeding heart liberals" may cry: "We were all immigrants at one time," they are careful not to point out that the greatest mass immigration in the world's history during from White Israelite countries. While they did not all speak the same language, their heart's language was the same. believed in God; they revered womanhood and the family; they believed in the work ethic. There is very little similarity between them and the hordes of heathen who are now flocking to America, many of them looking for as free handout, not freedom.

FEAR has caused our school teachers to become hostages to their students in many places, and to an anti-God system run by the American Education System, which is slowly but surely tearing our nations morals to pieces, for a purpose. You can see this EDUCATION, which says: "By the end of the 1980's America's educators will control all modes of living and thinking in the United States." They seek absolute control for their religion of Secular Humanism." (Think about this while considering that we now have over 40,000 Marxist professors operating in America's school system).

Even ministers of the gospel have abrogated their duties to preserve temporary peace and

tranquility. I can't think of a more vivid example than that of Dr. Billy Graham, and I realize I am stepping on "thin ice," by criticizing this "sacred cow".

I can remember back a few years ago, when Dr. Billy stood like the Rock of Gibraltar against compromise of all sorts. Then after a meeting with one of the Rockefeller clan, word was put out to the national media. "Never criticize Dr. Graham, for any reason," and suddenly his stand against some evils began to weaken. He began to preach that Jews did not have to come to God through Jesus Christ, although for years he had preached the truth: "That no man cometh unto the Father, except through Christ." He began to compromise on the homosexual issue, and on "miscegenation", putting his "seal of approval on "mixed marriages" as long as both parties were Christian. Knowing this was unscriptural.

This was before I got into the Kingdom Movement, and was welcome as a speaker at Bob Jones University. One day I discussed this change with Dr. Bob Jones, Jr., Chancellor of the University. He said: "Billy and his wife Ruth were in this office last month and I asked him this same question. Billy hung his head and refused to answer, but Ruth looked me straight in the eye as she said: 'Dr. Jones. we intend to do anything necessary to fill the football stadiums.'" I believe here is one of the major answers to so much apostasy. Many preachers will do anything to fill the church pews, and the offering plates

Now Billy will not hold a city-wide revival, unless the apostate NATIONAL COUNCIL OF CHURCHES is part of it, and he regularly sends sincere seekers back to their own pastor for counselling. even when he may very well be a liberal apostate who does not believe Christ is the Savior.

How did we get into this mess? Many, seeking a "scapegoat" blame the Jews or the Aliens, but they are not the CAUSE of our problems, they are the EFFECT of "White Christian DISOBEDIENCE to God." (Study Deuteronomy 28 and see for yourself).

Good Christians, like you and I, have fallen down on our Christian duty, and "all hell has broken loose," as a result, as it always does.

Many years ago, a well known Greek philosopher said": "Republics decline into democracies, and then into despotism. We have all of history to prove this, yet men remain blind as stone, and deaf as mud." We just refuse to learn from our mistakes, no matter how painful they may be. It's no wonder the Bible refers to us as "stiff necked people" , (see Exodus 3:3,5; Deuteronomy 9:6; 2 Chronicles 30:8; Acts 7:51-53).

We consider ourselves to be FREE, when much slaves to the Babylonian System, as any Black was on the cotton plantations of 200 years ago.

We can't drive down the highways, paid for by our taxes, without first having a paid license from "Old Marse Government." We can't get legally married without the governments approval; and when we sign the marriage license, it makes our children "wards of the state, subject to government regulation". We can't build a house without government approval; or rent a room to people of our own choice. As things are going, soon government will tell us how we must plan. But we will not become complete slaves on the day when a man with a red star on his cap and a Tommy gun in his arms, knocks at our door and says: "Come with me to the Concentration Camp." We will lose it, when we refuse as Christians to stand against evil of all kinds. If this day ever comes, we will bury FREEDOM and over her grave erect a headstone, with this epitaph: "Here lies FREEDOM, she died because good Christians didn't want to be bothered!"

For the most part, American Christians have "chickened out" on our desire to remain free. That's why I say our pressing especially White Christians to have the moral courage to take the battle to the enemy. No/-war has ever been won from a defensive position. When I was a boy we used to sing a stirring song that said: "Hold the fort for I am coming, Jesus signals still. Send the answer back to heaven, by Thy grace we will!" But it's unscriptural, for there is no place in

the Bible, where we are told to "fort up until Jesus comes back and rescues us." Instead we are told to "storm the gates of Hell, and they will not be able to stand against us," (Matthew 16:18).

We MUST begin by teaching White Christians in particular that compromise always ends in disaster. I'm reminded of a story I hear~ about three lady school teachers, who on vacation visited a large zoo in the Midwest. There they saw a large black-maned lion, in a cage with a little lamb. A sign over the cage said "DETENTE!" "How do you get the lion and lamb to get along peacefully," one of them asked the zoo attendant. He smiled and said: "Oh that's easy. All you have to do is replace the lamb every few days."

REMEMBER, your FREEDOM was not "bought and paid for at Valley Forge," that was only an initial payment. Every generation MUST keep up the account if we are to remain FREE

There is not one of you reading this message who if a burglar tried to break into your house one night, and your dog barked to warn you, would shoot the dog and go back to sleep. But this is what American Christians have been doing for years. We have been like a man driving on a back road, when he sees a sign across the road saying DANGER-BRIDGE OUT! still continues on. There is little hope for such a "fool!"

For years now, Americans have lived in the finest house God could give man, but we have allowed the concrete termites to get into the basement and gnaw holes in the foundation and today our lovely home is sliding down the hill towards the precipice of destruction, and the whole world is watching to see what we will do. Will we ride her down? Will we jump off in time? or will we call in the exterminator, get rid of the termites that are doing the damage, and shore up the foundations? (Psalm 11:3) rightly says: "If the foundations are destroyed what can the righteous do?" Almost three hundred years ago, on a fateful day in September 1774, the first Continental Congress met in Philadelphia. It was in chaos. There were fearful men in that enclave. John Hancock, President of that Congress pointed out the benefits of

British citizenship and the dangers posed by rebellion. At this point, John Adams of Massachusetts rose, and pointing his finger at Hancock, he spoke these words, which have come ringing down the corridors of history: "Sink or swim! Survive or perish! I give my heart and my hand to this vote. We may not survive to see this declaration made good. We may die on a British scaffold. If it be the pleasure of heaven this country would require the sacrifice of my life, then the victim is ready. But while I live, let me have the hope of a free country. Whatever its fate, rest assured, this Declaration will stand. It may cost blood. It may cost treasure, but it will stand and will richly compensate for both. Through the gloom of the present, I see the brightness of the future. Before God, Sirs, I believe the hour has come! My judgment approves this measure and my whole heart is in it. It is my living sentiment and by the blessing of God it shall be my dying statement. INDEPENDENCE NOW, AND INDEPENDENCE FOREVER!" He sat down to thunderous applause, and I after a session of prayer, called for by Benjamin Franklin, Congress rose to pass the Declaration of Independence without a dissenting vote.

As Congress convened that day, the British bombarded Boston and a signal light burned that night in the belfry tower of the Old North church, as Paul Revere rode to warn the Colonists that the British were on the move. Some of you older readers will remember the thrilling words of Henry Wadsworth Longfellow's poem that many of us memorized in grade school:

*"Listen my children and you will hear
of the midnight ride of Paul Revere. 'Twas in the summer of
seventy-five. Hardly a man is yet alive,
Who remembers that fateful day and year.*

*"He said to his friend, If the British march, By land or sea for the town tonight;
Hang a lantern, as a signal light, In the belfry tower of old North church. One
by land, and two if by sea, While I on the opposite shore will be, Ready to ride
and give the alarm, To every Middlesex village and farm, For the country
folks to be up and to arm.*

The concluding verse says:

"You know the rest, from the books you have read, How the British regulars fired and fled; And the farmers gave them ball for ball, From behind every bush, and hedge, and wall; Chasing the red coats down the lane, Only stopping to load and fire again."

That my Christian friends and kinsmen is why America has been free!

George Washington was made Commander-in-Chief and his first official act was to call for a Day of Prayer and fasting. army was small, compared to the enemy; was ill clothed worse armed and was up against the finest soldiers on the European continent, the one's who had defeated Napoleon at Waterloo.

Then at Trenton, with the odds 100 to 1 against him, Washington rose from his knees in prayer at Valley Forge, to lead his little ragged army of farmers and clerks to a glorious victory that was the turning point of the war.

When the war ended, the Liberty bell in Philadelphia rang out the words of (Leviticus 25:20) - "Proclaim liberty throughout the land, unto the inhabitants thereof," which was God's promise to Israel.

So my White Christian kinsmen, I am issuing a "call to arms" today, as authentic as the one issued in 1775.

That we return

it belongs. Those who are willing to "listen to God and OBEY!" Are you prepared to face the consequences if the enemy is triumphant? I doubt that few of you can even comprehend what will happen, if we continue to allow TREASON to triumph.

Can you look in the mirror today and honestly say: "All is well in America. This is the way I want it to be?"

So I say to you today. Give us ten concerned Christian patriots in every community in America; men and women who are not AFRAID,

You say: "We have gone too far; the enemy is too strong." I tell you that OBEDIENCE TO GOD will still turn the tide of battle and we will TRIUMPH! HE HAS PROMISED IT!
