From the Watchman's Corner!

Winter Intelligence Report

December, 2001

With the first year of the 2nd Millennium, AD about to end, there are some important events "*in the wind*", that you need to know about. They are not discussed by the media, or on the controlled television.

The information in the first part of this report, dealing with a new State religion, comes from the "**CRIMINAL POLITICS MAGAZINE**", published by Lawrence Patterson, P.O. Box 37812, Cincinnati, Ohio 45222. (Thank God there are men like Lawrence, and his staff, who have the moral and spiritual courage to speak out and give the American people the truth.) Far too often our politicians, and even some of our Christian leaders have fallen victim of the subtle strategy of the enemy and side with them against Christ and Christians.

While many Christian leaders have been "*asleep at the switch*", especially since the end of World War II, the Jewish led **AMERICAN CIVIL LIBERTIES UNION (ACLU)** has been choking the very life blood of our Christian courage to speak out on moral and spiritual issues, for "*Fear of the Jews*" (See **Esther 8:17; John 20:19**).

While few pastors such as Dr. James Kennedy of the Coral Ridge Ministries, in Fort Lauderdale, Florida, have preached against the evil deeds of the ACLU as they attempt to twist the meaning of the First Amendment to keep prayer, Bible reading and the Ten Commandments out of our public schools, courtrooms and public places, even he does not have the courage to name the anti-Christ Zionist Jews who are behind the ACLU in their attempt to subvert Americans, and fulfill their age old, and often admitted desire to "*destroy White Christian civilization*". This has been a Jewish aim, since Christ walked this earth in His Gospel ministry and is shown in their everlasting hatred and contempt for Him.

Take some time to study the First Amendment of our Constitution. It says, "Congress shall make no law respecting the establishment of religion . . . or prohibit the free exercise thereof; or abridging (limiting) the freedom of speech . . . or of the press . . . or the right of the (American) people to peaceful assembly . . . and to petition the government for a redress of grievances."

Winter Intelligence Report - 2001

Nowhere in this Amendment can the words, "*separation of church and state*" be found, and nowhere in this Amendment is the word church and state synonymous.

Chief Justice Roy Moore of the Alabama Supreme Court, recently pointed out various acts of Congress have created a "*National Day of Prayer*", (1952); inserted the words "*In God we Trust*" on every piece of our money, (1955); and made this phrase our National Motto in 1965. In addition, we added the phrase: "*one Nation under God!*" to our national Pledge of Allegiance in 1956, while an act of Congress stated: "Adoption of these words does not run contrary to the First Amendment of the Constitution."

The reason is obvious – no religion is being established, in spite of the cries of anguish coming from the anti-Christ's in the ACLU.

Chief Justice Moore stated: "A distinction must be made between the establishment of a religion, as an institution (of the State) . . . and a belief in the sovereignty of God."

The ACLU using the satanic guile that comes from their father (See **John 8:44**), have successfully confused many Americans, including many Christians. They have succeeded beyond the "*wildest dreams*", of their Anti-Defamation League mentors.

Sadly the courts of the nation, with their predominantly Jewish Judges, have with the exception of the Supreme Court of Alabama been *sucked in* by the enemy strategy of the ACLU and many other anti-Christian groups who have determined that there must be no acknowledgement of God in any manner, because of the phrase: "Separation of Church and State."

Our third President, Thomas Jefferson, used this phrase. Jefferson used this term "separation of Church and State", in a letter he wrote on January 1, 1802. Evil organizations have twisted Jefferson's words to achieve their ultimate goal, which as I mentioned before is the destruction of White Christian civilization. They are very careful not to point out that two days later he attended a Baptist church, giving lie to what the ACLU says is the meaning of his words.

What did Jefferson mean by this statement? What were his intentions in quoting them?

Consider this. During the 1700's the Church of England was supported by general tax levied on the citizens of Massachusetts Colony by King George III, the official head of the Church of England, the Anglican Church, and he expected his subjects (including the American colonists), to pay this supporting the Church of England.

Not only was this tax levied against the colonists to support the State church, but heresy against the church, defined as; "Any opinion or doctrine at variance with the doctrine of the Church of England, was considered to be a crime, punishable by death. The church attempted to impose church beliefs on the colonists by the use of criminal sanctions.

Winter Intelligence Report - 2001

Are you beginning to understate what Thomas Jefferson meant when he referred to "separation of Church and State"?

Any good history book written prior to 1920, will give you these facts.

Jefferson had a great desire to see that the United States would not have a State religion like that of England, supported by forced taxation. He had every reason to separate the Church of England from the newly formed government of the United States by stating that Congress could make no Law, "establishing any religion and making it the religion of this nation."

Now a new State religion, known to many as Secular Humanism, has taken over from Christianity, making man their god.

It should be quite obvious to any intelligent person that this phrase, as used by the ACLU and our liberal court Justices is dishonest in the extreme and that any Judge who prohibits the use of the Bible, prayer, and the Ten Commandments, etc., violates the Constitution and should be removed from office.

Only Judge Roy Moore, of the Alabama Supreme Court has had the courage to buck the ACLU and the liberal anti-Christian US Supreme Court Justices, when he refused to remove the Ten Commandments from his courtroom on illegal judicial order.

It is indeed a sad commentary on the moral strength of our government, our educational system, and far too often our Christian churches and preachers, who have allowed this to happen in a nation, which from it's beginning, has been considered as Christian.

It is obvious that the founders of this nation had no intention of barring the acknowledgement of God in our nation's schools, in the courtrooms, at sporting or any events, and it is equally obvious that the ACLU is bent on "*destroying Christian America*," for by their actions shall we know their intent.

Apparently the Jewish community feels that our rights to various Christian beliefs, as compared to their religious rights (which are basically atheist and Communist, and deny Jesus Christ), while attempting to force their Talmudic Noahic Laws on Christian America.

Where are the cries of outrage from the Christian community? They are seldom heard, while many so-called Christians actually support these anti-Christ's. Apparently most Jews feel that it must be either their Talmudic Judaism, or no religion at all. Such unfair and unreasonable attitudes should be rejected by decent people, Christian and non-Christian alike.

Meet with your pastor and discuss this important problem, which may well decide the future of American Christianity. (Or would you rather be forced underground in order to worship God? This is the intent of anti-Christ organizations such as the ACLU and the

Winter Intelligence Report - 2001

ADL.) If your pastor refuses to take a stand for "*redress of grievances*," either get a new pastor with *guts* or join a church, which will stand for your Christian rights.

Our country today is under an unprecedented attack, with thousands of lawsuits being filed by the ACLU and their cohorts annually, primarily against Christian beliefs.

American judges, the majority of whom are Jews, are foolish enough to bow before the unjust pressure placed on them, and follow the "*path of least resistance*" to decide against the Constitution and Christian rights. In many instances they have become *lawmakers*, rather than interpreters of the Constitution, as they should be. These men and women must be removed from office if we are to exist as a *free* people and the time is running out on us.

When President Jefferson made his now famous statement, he had two jobs. Not only was he the President of the United States, but he was also the head of the Educational Commission that governed the schools in the District of Columbia. In this position, he laid down the rule that two books must be used in the education system, the Holy Bible, and Isaac Watts Hymnal. This information shows that without a doubt Jefferson's statement regarding the separation of church and State did not mean what the ACLU says it did.

There is a plan underway called the Home State Plan, which would bring America back into the Christian fold. If you are interested in it, write to the **PATTERSON STRATEGY ORGANIZATION**, P.O. Box 37812, Cincinnati, Ohio 45222.

We *must* recognize that our National political structure can never be reorganized; it must be abolished and replaced with a Constitutional Christian structure, which will protect our Christian heritage. For an interesting book titled "**RECLAIMING YOUR LOST LEGACY**", call toll free 1-800-543-2486.

The Noahide Laws!

If you are forced to live a lie, you are a slave. While we in America today, still have the choice of whether or not we want to live by the Constitution and the Laws of God, a heathen concept called the *Noahide Laws*, is seeking to control both our political and religious systems. The International Zionism backs it and it's counterpart, Free Masonry. Both are violently anti-Christian, although supported by many who go by the name of Christian.

Under pressure from these enemies of freedom, the 1st Amendment rights of our Constitution have been badly eroded or nullified, while our 2nd Amendment rights, "*the right of self defense*" hang by a tenuous thread, and are under constant attack by the ACLU and other similar Jewish led organizations.

Winter Intelligence Report - 2001

Living a lie will lead to further losses of freedom and finally total defeat, where the practice of our Christian faith will be openly persecuted and our rights of self defense obliterated.

Samuel Roth, a Jewish author of note, in his book **"JEWS MUST LIVE"**, published in 1934 in New York, by the Golden Hind Press, stated: "The Jewish disease is a sort of moral gonorrhea known as Judaism and seems alas to be incurable. The results, as any good doctor will tell you, are invariably unhealthy and treacherous. If you are in doubt, take a good look at any Jew-ridden country in Europe and if you need further conviction look at what's happening in America.

"My convictions is that nothing the Jew does in America is essential to its welfare. On the contrary, a great deal of what the American Jew does is subversion of America's best interests." (Please remember these are not my words, but come from a Jew who had first hand knowledge of Judaism.)

The Supreme Court will not save our American education system, or our churches from the attack of ACLU for all too often they have sided with this subversive organization in it's attack on Christianity and have become part of the problem.

An honest, open-minded judge due to the criminal behavior of our Congress will not replace Supreme Court Justice Renquist, who is retiring this year.

George Washington, in his address to the Delaware Chiefs on May 12, 1792, stated: "Our Constitution was made for a moral and religious people . . . it is wholly inadequate for any other."

In 1821, President John Quincy Adams declared, "The highest glory of the American Revolution was this . . . it connected in one indissoluble band, the principles of civil government with the principles of Christianity."

Governor Morris, the drafter of the U.S. Constitution stated: "Religion is the only solid basis for good morals; therefore, education should teach this precept of religion and the duties of man towards God."

In 1954, Congress passed a resolution declaring: "To preserve a conservative element in our system is the belief of our people in the pure doctrine and divine truths of the Gospel of Jesus Christ." In every instance, they referred to religion, as the Christian religion, not Judaism, not Buddhism, not Mohammedanism, but Christianity.

Yet in spite of this, hundreds of law suits have been filed each year by the ACLU and other anti-Christian groups, mostly Jewish affiliated, which seek to destroy the 1st and 2nd Amendments of the U.S. Constitution and the freedom it has given to our people.

One of the areas where the ACLU, has been especially active is that of *"illegal sex."*

Winter Intelligence Report - 2001

The Supreme Court has ruled on a number of occasions that "*sex oriented businesses*" have the right to exist, and that city zoning codes, must include areas set aside for this nefarious trade.

For example the city of Covington, Kentucky has been instructed to rewrite their zoning ordinances because of this Supreme Court ruling. As a result they have set aside 6 acres of prime downtown real estate for sexually oriented businesses.

Most of you know about the problems the Boy Scouts of America have had over the homosexual issue. War has been declared against this honored institution and a year ago, the Scouts won their Supreme Court case by a very narrow 5 to 4 margin. The Supreme Court ruling at the first glance appears as a victory for the Scouts when it stated that the Scouts could not be forced to accept homosexuals as employees or Scout leaders.

This was not a victory, as the homosexual crowd across America, which is growing at an alarming rate, backed by ACLU lawsuits, has put pressure on American businesses, which have withdrawn financial support from the Scouts.

GLLAD (the Gay and Lesbian Alliance); the *LAMBADA DEFENSE FUND* (which is an alliance of men who want freedom to have sex with under aged boys); the Gay group alliance calling itself *SCOUTING FOR ALL*, along with the Jewish B'nai B'rith Lodge and the ACLU are attempting to force the Scouts to close through economic pressures.

Recently the Washington, DC Commission on Human Rights, simply ignored the Supreme Court ruling and ordered the Scouts to reinstate two local homosexual leaders.

Contrary to homosexual propaganda, the gay community, which has no means of propagating itself, is recruiting young people in the school system, often with the blessing of school authorities, who are either homosexuals themselves, or who fear repercussions from this evil bunch.

Now they are bragging that they are about to dry up local funding for the Scouts, through pressures on businesses such as Merrill Lynch, Textron, and Knight-Ridder have already cut off \$150,000 in support.

Local United Way people are being told not to use any of the \$90,000 earmarked for Scouting unless they change their rules and allow homos to join. It appears that Wells Fargo will also follow suit. Where are the cries of outrage from the Christian church? It appears all to seldom, as the ACLU and the enemies of Christ have been given the control of the field.

Just what are these *NOAHIDE LAWS*, which seem to be the foundation for this national subversion?

On March 20, 1991, Congress passed Public Law 102-14. It says: "Whereas Congress recognizes the historical tradition of ethical values and principles, which are the basis of

Winter Intelligence Report - 2001

civilized society and upon which our great nation was founded . . . Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization . . . when they were known as *"THE SEVEN NOAHIDE LAWS."*

The joint Congressional Resolution then announced that the Lubavich Movement has fostered these ethical values and that its leader Rabbi Mendel Scheerson should be honored on his 89th Birthday, May 21, 1991. This honor will be reflected in a scroll of honor by the President of the United States.

What is the obvious meaning of this resolution? It clearly shows that the International Jewish Conspiracy, and the Secret Societies, such as Freemasonry, the Bildenbergers, the Council of Seven, and the Illuminati, are now in control of this once Christian nation, and we are now under Jewish Talmudic Law, rather than that of our Constitution. George Bush, Sr signed this resolution.

The Talmudic Law, which Jesus referred to as the *"tradition of the elders"* (**Matthew 15:2, 8, 9**), and which He constantly opposed is not Biblical Law. It cannot be found in any Biblical reference books. The Encyclopedia Britannica refers to them as the *NOAHIC COVENANT*, but given no listing of these laws. It refers to them as "A Jewish designation for seven laws given to Adam and Noah, long before the Mosaic Code of the Ten Commandments was given by God at Mt. Sinai. Beginning with **Genesis 2:16**, the Babylonian Talmud lists six other commandments . . . given after the flood. The Seventh Commandment was given to Noah, which forbade the eating of the flesh of a living animal (**Genesis 9:4**).

These Laws can be found in no place in the Bible, and the Talmud is in direct conflict with Christianity. Following the *NOAHIDE*, wearing the crucifix or anything considered to be Christian, such as a fish pin, would be guilty of violating Noahide Law.

#1.) - "Thou shalt not engage in idol worship." For any symbol of Christianity is considered to be idolatrous. By a like token, all Christians are guilty of violating Noahide Law #2.

#2.) - "Thou shalt not blaspheme God.

Dr. Gordon Ginn, Commenting Editor of the **"CRIMINAL POLITICS"**, and well qualified in the Talmudic field states: "Under these laws, every professing Christian on earth could be executed, because they believe Jesus Christ is God in the flesh . . . this is blasphemy to the Jews."

While Americans still have a choice between the Bible and Constitutional law, time is running out on Christianity, as we are literally standing on one leg, and that is on a banana peel.

In spite of the hypocritical screams coming from the ACLU and other ant-Christian groups, the major religion in America has been subverted from Christianity to the State

Winter Intelligence Report - 2001

religion of Secular Humanism, where man has become his own god. This is the religion of the Talmudists. It reflects the thinking of a Jewish German author, Ludwig Feurbach, who in the 1700's wrote: "Man will be truly free, when he finally realizes there is no God of man, but himself." This idea became so deeply rooted in the diseased mind of a young Jewish radical named Karl Marx that it became the foundation of the Communist Movement, which has murdered hundreds of millions, including millions of Christians in the last 250 years.

In spite of the screams coming from the ACLU camp, and that of other anti-Christian radicals as they write their ranting letters to the Editor in favor of the "*separation of church and State*," I wonder what their reaction will be, when they find that they have saddled us with a heathen religion which must be observed under force of law?

While the Home State Plan advocated by "**CRIMINAL POLITICS**" has some good points, I personally do not believe our problems will be solved through political action.

It is strange indeed how intelligent men and women will stubbornly cling to ideas that have never worked, when we already have a "**FORMULA FOR SURVIVAL**" that is sure, because God says it is. As many of you know it is found in **2 Chronicles 7:14** and clearly states: "If my people (White Anglo-Saxon Israel), which are called by my name (Christian), will *humble* themselves, and *pray*, and *seek* my face, and *turn* from their wicked ways; then will I *hear* from heaven, and will *forgive* their sins, and will *heal* their land." What more do you want? You say you believe God's Word, then why don't you follow it? It will mean giving more than the mere lip service it now gets from the average church.

The United Nations Americas Friend or Foe?

The Hillary Clinton type liberals and their socialistic pals in the State Department are attempting to push through a secret plan whereby the UN would be allowed to directly tax American citizens for their bloated excesses. This in addition to keeping wide open the doors of illegal immigration which helps keep them in office. It is vitally necessary that concerned Americans act *now* and that we withdraw the benefits of the "*gravy train freeloaders*", the UN diplomats have enjoyed all to long, at our expense.

Former Vice President Al Gore truthfully observed of American servicemen killed in the line of duty: "They gave their lives in service to the UN." That's right! They gave their lives for a foreign monstrosity that hates America, but is willing to "*suck our life blood*," as long as it benefits their socialist plans. The Passage of H.R. 1146 to remove the United States from the UN, would put heat on Congress to once again live up to their oath of office "*to protect America from all enemies, both foreign and domestic*." (In recent years, our greatest danger has come from the barbarians who are already within our gates.)

Winter Intelligence Report - 2001

In the last election, the *Justice Political Action Committee* (JPAC), of which Congressman Paul is a vital part, put 65% of its candidates into office. With your help, they can better this percentage. Here is their overall plan:

- 1.) Cut off welfare to illegal immigrants;
- 2.) Stop statehood for the District of Columbia;
- 3.) End liberal looting of the Social Security Funds;
- 4.) Making sure Clinton type liberals do not use your hard earned money for liberal "*pork barrel projects*."

Your support is necessary if they are to succeed.

United Nations Criminal Court

With out attention being focused on the United Nations, it might be well to bring our attention to the dangers posed by a UN Criminal Court.

Before leaving office, President Clinton directed his representative in The Hague to sign the United Nations International Criminal Court Treaty. If ratified by Congress, this treaty would give the American hating, UN socialist's unlimited power over American servicemen and citizens.

This court would:

- 1.) Deny Americans their 5th Amendment protection from being tried twice for the same offense. Powerful International lawyers would be able to prosecute citizens over and over again for the same offense, until they got the verdict they desired.
- 2.) This would violate your Constitutional right to appeal a verdict, as there would be no appeals from a UN court decision and if you were convicted, there would be no recourse.
- 3.) It would destroy the 6th Amendment right to a speedy, and public trial. This court could hold American soldiers and citizens in prison indefinitely, without holding a trial, or even charging them with a crime. They would also hold secret trials without any American scrutiny.
- 4.) It would abolish your 6th Amendment right of trial by your peers and would appear before a judge appointed by the UN who would possibly

Winter Intelligence Report - 2001

come from some American hating country such as Iran, Iraq, or even Red China or North Korea.

- 5.) It would eliminate your 4th Amendment protection from unreasonable search and seizure. (A highly placed UN Court backer, wants this court to have it's own heavily armed secret SWAT teams, with search and arrest prerogatives, regardless of International boundaries.)
- 6.) It would prosecute any American citizen violating a UN Treaty, whether the U.S. had ratified it or not. American serviceman abroad, which defends themselves against terrorist's acts, could become "*war criminals*". American loggers, who cut down trees without a UN permit, could be indicted for violating the UN Biodiversity Treaty. The court power would be limitless and would reach into every area of American life.

While it seems impossible that any decent American politician would back such a criminal action, there are many Hilary Clinton type liberals in Congress who would vote for this criminal tainted treaty.

Now is the time to protect ourselves from those who would destroy American sovereignty, the traitors in our government, who back UN superiority. It will be too late if the treaty is ratified.

These are indeed "*times, which try men's souls.*" How we react now, will decide whether we remain free, or become slaves to the International Zionist Slave State, the New World Order. With God's help, and with *obedience* to Him, we will remain *free*, for "He has not given us a spirit of *fear*, but of *power*, and of *love*, and of a *sound mind* (2 Timothy 1:9).

Petition to Congress to Remove the United Nations!

H.R. bill 1146, introduced to Congress by Congressman Ron Paul, titled the "**UN PARTICIPATION ACT OF 1945**"; would after 56 years of chaos and confusion get America out of the UN.

Following is this petition:

Winter Intelligence Report - 2001

WHEREAS, for 56 years, America has paid the lion's share of the UN Bills to the tune of some \$30 billion; and

WHEREAS, even though America is paying 25% of all UN bills, the UN bureaucrats are claiming \$1.3 billion more, and are proposing to tax us directly; and,

WHEREAS, in addition to American money, the hate-American bureaucrats of the UN are ending American sovereignty with the help of Hilary Clinton type liberals; and,

WHEREAS, H.R. bill 1146 cuts all funds from the UN, and UN agencies and withdraws American membership in the UN, and removes the UN Headquarters from the U.S. and revokes the diplomatic immunity of UN bureaucrats;

THEREFORE, I the undersigned do hereby petition my Congressman to vote for Congressman Paul's H.R. 1146, the *AMERICAN SOVEREIGNTY RETENTION ACT*. After 56 years it's way past time for America to withdraw from the UN.

Signed: _____

(Optional State: _____) Congressional District: _____

Winter Intelligence Report - 2001

The Complicity of Freemasonry in the Conspiracy!

Many members of the Blue Lodge of Freemasonry know little or nothing about what goes on behind the scenes. It is not until a Mason reaches the exalted 32nd degree or higher, that they learn the awful, secrets of this society, which is Jewish controlled and which seeks the same objective of World power, and the destruction of White Christian civilization.

The following information comes from the 1967 issue of **"THE WINROD LETTER"**. (While Gordon Winrod has a deserved reputation as a *"Jew baiter"*, he knows and understands Jews and Judaism very well and the facts he presents are well documented and cannot be refuted.)

He says without hesitation: "Communism is a Talmudic front; Zionism is a Talmudic front; Masonry is a Talmudic front", and goes on to prove it with documented facts that neither Judaism nor Freemasonry can refute.

Since we are limited as to space in this report, I will give you only a few of the many major facts known about both these anti-Christian, anti-American organizations.

In his book **"THE PLOT AGAINST THE CHURCH"**, WRITTEN BY Maurice Pinay, we read: "The learned scholar and Jesuit Monsignor Leon Meurin, S.J., Archbishop of Port-Louis shows us in his highly authenticated work, **'CLARIFICATION OF FREEMASONRY'**, that Jews were the founders, organizers, and leaders of Freemasonry." He backs this up with quotations from various sources, which we do not have time to cover in this report.

"The First and Highest Masonic Council was formed on May 31, 1801 in Charleston, SC (33 degrees northern latitude), under the Chairmanship of the Jew Isaac Long, who was made Inspector General by the Jew Moses Cohen, and received his degree from Hves, from Fran ken, and the Jew Morin.

"The Jews were the founders of the First Great Council which was transformed into the middle point of world Freemasonry. They placed it in the city of Charleston, exactly on the 33rd parallel, Northern Latitude. Successive heads of Freemasonry have lived here since 1801, and Albert Pike, the highest of them all carried out his *dirty work*, from this center in 1889.

"There were 23 highest councils, which had been created through the Charleston Center, plus Orients and Grand Lodges of all rites. These were connected with the highest council in Charleston, and are dispersed over the entire world. At that time (1899), there were hundreds of Grand Lodges, all connected to Judaism."

Winter Intelligence Report - 2001

Rabbi Benamozegh writes: "The Grandmaster, or Patriarch, known to only a few of the brothers, is the real head of the Order. These exercise their functions in useful and secret dependency on the Jewish Cabbalists (Mystics). All Freemasons are vassals of the Jews."

One of the first things a disciple of Freemasonry notices is the Jewish character of everything he finds. From the First to the Thirtieth degree, he is immersed in Judaism with secret symbols, Hebrew words, and a calendar that was altered by the Jews so as not to give honor to the birth of our Divine Savior. The doctrines of Freemasonry are those of the Jewish caballa (Mysticism), particularly those of the Talmudic book "**SOHAR**".

Rabbi Issas Wise, writing in '**THE ISRAELITE OF AMERICA**', March 8, 1866, said: "Masonry is a Jewish institution whose history, degrees, charges, passwords and explanations are Jewish from beginning to end."

"**THE JEWISH TRIBUNE**" of New York, October 28, 1927 said: "Masonry is based on Judaism. Eliminate the teachings of Judeo-Masonry from the Masonic ritual and what is left."

Masonic writers such as Pike and Mackey, attribute to Masonry a direct relationship with the Kaballah, which the name of the esoteric occult doctrines which the Jews pretend have been received by oral tradition directly from Moses, and from the beginning of the world, (Noahic Laws).

Looking at Masonry in the U.S. we see a so-called Christian nation where over half of it's Congress are Masons. In 1953, 58 of its then 96 Senators were Master Masons. I do not know the percentage now, but their numbers have not decreased. Many ministers of the Gospel are Masons, especially in the Southern Baptist denomination, although they must pledge their first loyalty to Masonry, when they join. To me this is a direct violation of the First Commandment: "Thou shalt have no other god before me!"

Add to this the threat of a Jew controlled Press, and you can understand many of the problems which are plaguing America today.

The Jewish *TALMUD*, their religious book, represents the codification of Jewish opposition to the Kingship of Jesus Christ, and their utter hatred of Him, and His church.

When the Pilgrims and early settlers of the American Colonies first came to this country in the early 1600's their Colony Charters almost unanimously stated they had come here in order to practice their Christian faith and to propagate the "saving faith of the Gospel of our Lord Jesus Christ." They did not come and found this country to promote Judaism, Hinduism, Mohammedanism, or any other "*ism*". They were strictly Christian. It was not until a century later that the first records of Jewish Freemasonry in England, in the year 1717 (according to the Encyclopedia Britannica), were recorded.

Winter Intelligence Report - 2001

Two generations later the Jewish Brotherhood of Freemasonry under the cloak of Christian sounding terms had become so strong that the records of our Constitutional Republic no longer sounded like the original purpose of the Colonial settlements, and the founders of this Constitutional Republic by that time were largely Masonic and Deists.

Strong Christian attitudes would not openly admit Jews to New Amsterdam, while only 150 years later, our first President George Washington, the first President of this Republic, was a Mason who engaged a Jew as his personal aide.

Liberal historians seldom admit that President Washington was not a practicing Mason, who seldom attended Masonic meetings, and who on several occasions wrote letters to Masonic Lodges in the United States, warning them of the infiltration of anti-Christ Masonry from Europe.

Just as Judaism with its dreams of one world power and destruction, moves above and beyond all nationalist concepts, so Freemasonry holds as secondary to its *WORLD* brotherhood membership, love of country and patriotic pride.

A West Coast newspaper stated on the 178th anniversary of the signing of the Constitution: "This Anniversary was celebrated today by the Los Angeles Masons, at a patriotic gathering at the Scottish-Rite Temple." It went on to say, "Of the 42 signers of the Constitution, 23 were Masons." While the Masons make a big show of patriotism, and their belief in God (they even have their own version of the Bible, which is not Scripture), could it have been the Brotherhood of Jews and Christians (Freemasonry), that explains why there is no mention of Jesus Christ in our Constitution? Much less anything that calls for the expulsion of anti-Christ's from our government?

The Founding fathers had been warned of this, when our Senior Statesman, Benjamin Franklin, who had first hand experience with Jewry in Europe, was quoted as saying: "There is a great menace to these United States today, and that great menace, Gentlemen, is the Jew. In whatever country Jews have settled in any great numbers, they have lowered the moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion upon which this Nation was grounded. They have built up a state within a state, and have, when opposed, tried to strangle that country to death financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed into this country in such great numbers that they will dominate and devour the land and change our form of government.

"If you do not exclude them from the United States, in less than 200 years our descendants will be working in the fields to furnish the sustenance while they will be in the counting houses rubbing their hands. I warn you, Gentleman, if you do not exclude the Jews for all time, your children will curse you in your graves. Gentlemen, the Jews are Asiatic (Ashkenazi); they will never be otherwise." Yet in spite of this warning from a very wise old man, our predominately Masonic/Jewish government allowed these

Winter Intelligence Report - 2001

"*parasite anti-Christ's*" to come into America, and they have become "*thorns in our flesh, and pricks in our eyes*" ever since, just as God predicted thousands of years before. Today the Freemasons and the Jews can proudly state that America is no longer Christian, but is ZOG (Zionist Operated Government).

The Masonic and Jewish God -vs.- The God of the Bible!

When Masons and Jews state that all of them believe in God, they lie!

The Scriptures clearly state that there is only one true God, and that He is Jesus Christ. "In the beginning was the Word (Jesus) and the Word was with God, and the Word was God." (John 1:1) Do Masons and Jews believe this? By their actions and words we must answer a resounding *No!* The Jews call Him a bastard! The Scriptures teach over and over again, that Jesus Christ is God! "And we know that the Son of God (Jesus Christ) is come and hath given us an understanding, that we may know Him that is true, and we are in Him that is true, even in His Son Jesus Christ. This is the true God, the eternal life." (1 John 5:20) This true God is not the Supreme Architect of the Universe, the Masons revere, but Jesus Christ.

"Again the High Priest asked him (Jesus) and saith unto him, Art thou the Christ, the Son of the Blessed? And Jesus said, I Am!" (Mark 14:61,62)

Constantly the Scriptures attest to the fact that *Jesus Christ is very God*. So it is obvious that Masons/Jews lie when they say they believe in God, for if they reject Jesus Christ, they reject God.

If they believe in another god, be he Lucifer of Jewry or the Supreme Architect of the Universe of Masonry, and reject Jesus Christ, they are anti-Christ. The Apostle John warns us in 1 John 2:18, "Little children, it is the last time, and as ye have heard that antichrist shall come, even now there are many antichrists; whereby we know that it is the last time." Then he clarifies this in verse twenty-two – "Who is a liar, but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son." Mighty clear, isn't it?

Masonry espouses the "*fatherhood of god and a brotherhood of man*" theory, in which "*god = devil and man = Jew*". This means that the "*fatherhood of the devil*" that is "*god of this world*" (See 2 Corinthians 4:4), is for the "*brotherhood of Jewry*" and for the benefit of the Mason/Jew proselyte who brotherhoods with the Jews. Thus they both become "Two-fold more a child of hell" than the Jew himself (See Matthew 23:15). The sole purpose of the existence of Masonry, is for the protection of Jewry, and any Mason will protect and brotherhood with an antichrist Jew, much more quickly than he will protect and brotherhood with one who opposes the antichrists of Judaism.

Winter Intelligence Report - 2001

Should a Mason openly expose and fight the evil of Jewry, he would be betraying the brotherhood, and this brotherhood is placed above all else in Masonry.

Jesus said in **Matthew 12:30** – “He that is not for me is against me.” So we can see where this places the Masonic/Jew brotherhood.

Wishing you all his best until next time.

Jack Mohr,

-Addendum-

Since my Intelligence Reports are often prepared weeks in advance, the following information taken in part from the “**CRIMINAL POLITICS**” Newsletter of September, 2001, will bring you up to date on some important news.

Israel is at War and Losing!

While the terror attacks of September 11th left America in a state of shock, little or nothing has appeared in the controlled media, or on TV mentioning any connection between this tragic event and the Israelis. It is obvious that the American people will be kept “*totally in the dark*”, as the media seeks frantically to cover up the part played by the International Zionist Conspiracy in this tragic event.

National events have been carefully orchestrated so as not to embarrass the Bush Administration. For example, growing evidence that the Administration knew well in advance of this planned terrorist attack, and knew the names and locations of those who committed the acts, without giving the American people warning or protection. Both the FBI and the CIA were fully aware of the existence of these terrorists in the U.S. and could very well have prevented this disaster. They may not have known the exact targets, but they knew the location of terrorist teams in this country and did nothing to apprehend them.

Meanwhile the nation State of the Israeli has been losing a war with the Palestinian people, with whom they have existed with for over fifty years. While peace was officially declared on September 19th, we must not forget the Palestinian refugee camps at Sabra and Chatila, where over 1,000 men, women, and children, were brutally murdered by the Israeli, under orders from Prime Minister Ariel Sharon.

Winter Intelligence Report - 2001

Sharon is known in Arab circles as "*the butcher*". While few Americans know much about this man, nor do they care much about the fate of the Palestinian people, who have seen their land illegally and immorally stolen from them, with the consent of our government, and much of the Christian church world, who have been brainwashed by Zionist propaganda into believing that God's enemies are His chosen, who can do no wrong, even deliberately twisting God's word around to accomplish this.

Think for a moment about a man who has seen the land he and his family has owned for centuries, suddenly illegally and immorally stolen from him and given to others; then his home is *bulldozed*, and his family forced into a refugee camp, where they have been brutally suppressed and often murdered, for over fifty years by the Israeli, using weapons made in America, and given to them and whose actions are approved by our politicians and many of the so-called Christian world, then you have the seedbed for the hatred that erupted into the September 11th violence.

Until America faces the truth, conditions will get worse and worse.

In **2 Chronicles 19:2**, we read a warning from God, seldom spoken of in our Judeo-Christian churches: "Shouldest thou help the ungodly, and love them that hate the Lord? (They call him an illegitimate bastard) therefore is wrath upon thee from before the Lord." America has certainly shown it's love for "*those who hate the Lord*", both politically and religiously, by our constant "*brown nosing*" of the Jews.

We have also forgotten the warning given by the Apostle Paul in **Galatians 6:7** – "Be not deceived, God is not mocked, for whatsoever a man (or nation) sows, that shall they also reap." Since at least 1913, this nation has sown rotten seed in its Foreign Policy, which today is reaping a rotten harvest, and it will get worse.

I am not a prophet, nor do I claim to have the "*gift of prophesy*", but I have observed over the years, that men who stick close to God's Word, are often given a vision of what is to come, and in November 2000, I gave warning of a terrorist act such as happened on September 11th, in an expensive Ad in the Sunday issue, of the "**Arkansas Democrat-Gazette**", titled "**THE OTHER SIDE OF THE COIN**", which I'm sure some of you read. It received as much attention as some "*voice crying in the wilderness*." When I pointed out the illegal and unscriptural acts of our government, often backed by the church, as we have appeased the antichrists of Zionism and 25 million in world Jewry, while alienating over a billion Arabs who once loved and admired us but now consider us as the Great Satan, I was reviled as a "*hatemonger*".

We ignored the sage advice of men like President Washington, and Benjamin Franklin, and the even more important warnings of Scripture, and became "*involved in entangling foreign alliances*", which have cost us hundreds of thousands of lives, and a debt we can never repay, while benefiting only the International Jews, who were the only ones to gain from it.

Winter Intelligence Report - 2001

A close study of Jewish sources will indicate that the Israeli State has lost its economy, and has lost its most important source of Revenue, its tourist trade. Who in their right mind would want to travel to a foreign country to be blown to pieces by a fanatical terrorist?

Sadly enough Ariel Sharon, who was elected to lead the Israeli, is not the *peacemaker* our media would like for us to believe. One of his first acts as leader, was to visit the "*off limits area*", sacred to the Moslems, which he knew would incite violence. From that moment on, the Arab war against the Israeli intruders intensified.

To limit the possibility of future terrorist attacks, the Bush Administration should immediately insist that Sharon steps down and allows his cabinet to control the country.

It is evident that the **MOSSAD** (the Jewish Secret Service) want a war with the Arab world, with the U.S. carrying the brunt of the fighting and of course suffering the most casualties. They are willing to "*shed American blood to the last drop.*"

While the Israeli practice unlimited "*racism*", even to ejecting Christian missionaries who preach Christ to the Jews; for a White Christian American to call attention to Jewish crimes is considered to be the worst "*racism problem*". There is a distinct "*double standard*" when dealing with Jews and White Christian patriots.

Even Christian leaders like Farwell, who is an avowed Zionist, have made idiotic statements such as, "God has blessed America, because we have been kind to the Jews." When any discerning person can see this is not the case, for this country has gone "*down the road to hell*" faster since 1948 when we recognized the State of Israel, than at any time in our history. Does this prove vindication for **2 Chronicles 7:14**?

While the controlled media, have almost totally ignored the part played by Zionism in bringing tragedy to America's shores, they are extremely nervous when a guest on a Talk Show, bring up Israeli involvement. It is an "*off limits*" subject and they are afraid of it. Even high paid commentators such as Peter Jennings avoid it when possible. This may be because they are like Walter Cronkite when he was in his prime. When someone asked him about his role in bringing truth to the public, his snide statement was: "I am not paid to tell the truth, I am an opinion molder!"

Actually we are dealing with *mind control*, "**PSYCHOPOLITICS**" it is called, which is the art of controlling the thinking of an entire nation, so you can control it's people. The enemy has been practicing this for hundreds of years and is past masters on using it on our gullible people.

When an act such as September 11th takes place, we should immediately ask ourselves "*cui bueno - who profits from it?*" It is quite evident that America did not profit from this terrible act, and neither did the Arab world. Someone did, and when we know whom, we will have the answer. We know that things like this do not happen by

Winter Intelligence Report - 2001

accident, and FDR, once said: "Nothing in politics happens by chance, it is all planned in some smoke filled room." (Possible a conspiracy?)

I am convinced that we have only one option that will work. I mentioned it earlier in this Report, which I will now end with.

2 Chronicles 7:14 – “If My people, which are called by my name (Christian), shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.”

It is so simple if we could just get the church and State to follow it.

Until next time, yours in Christ and Country,

Jack Mohr
