### **Summer Intelligence Report – 2002**

#### **Odds and Ends You Need to Know About Terrorist Allies in the United States**

The following pertinent information, with some editorial license, comes from the March 31, 2002 edition of "CRIMINAL POLITICS", (Lawrence Patterson, Editor, P.O. Box 37812, Cincinnati, Ohio 45222).

While the Bush Administration concentrates on what is to be done with Iraq, the question might well be asked, "Why is Iraq, several thousand miles away, of more concern than Colombia which is a close neighbor?" To the uninitiated this might seem like a logical question, followed by, "What danger does little Colombia pose to America?"

According to a Rand Corporation report published in "INSIGHT MAGAZINE", March 5, 2002, "The Colombia crisis is the most serious security challenge the U.S. faces."

Since 9-11 attacks to which the United States responded with military force against the Taliban Regime, why do we suddenly find ourselves involved in the Philippines, in Yemen, and the former Soviet State of Georgia?

Today we are becoming more and more engaged in the internal affairs of Colombia. And as has happened in recent years when we interfered in the internal affairs of others, instead of helping Colombia defend herself against shocking invasions of large forces of well armed, well trained Red Chinese soldiers, who have been gaining footholds along the West Coast, and have taken over our Canal in Panama. (Now they are well on their way of taking over a huge port facility in southern California.)

Several times each week I get letters from Congressmen, or patriotic organizations which are attempting to stop this Communist invasion of American territory. Most ask you to sign petitions to the President or Congress, asking them to take immediate steps, to stop this surrender of American sovereignty. (Of course they ask for funds to carry out their pet project.)

Following are parts of a typical letter I received recently:

"It is getting harder and harder to stop Red China's stealthy invasion of America's seaports."

"We have been working overtime opposing the expansion of the China Shipping Company (COSCO) at Pier J in the Port of Long Beach."

"We have been petitioning Congress to protect our strategic seaports from Chinese front companies like COSCO."

"In spite of this, the Chinese have continued expanding their operations at Port J in Long Beach."

"At this very moment our enemies are making plans to storm Congress and ran through their Pro-China agenda. Very little in the way of opposition is coming from the American people."

Imagine if you can, a Pro-China Lobby in Congress similar to the Jewish Lobby that is virtually unopposed. Many of us know about the sellout of our Panama Canal in Panama, by *traitors* in Congress. We cannot allow this *treason* to continue.

Yet while this is going on, and our government action in Columbia show that President Bush's Administration is more interested in starting a war with Iraq, which poses no immediate danger to us, rather than face an immediate threat from Communist activity in Colombia and along our West Coast.

The "War Hawks" in Washington DC are pushing for a war with Iraq, some time this fall, and the media war drums are already beating out their fatal message.

It brings to mind a quotation from the diary of Julius Caesar. He wrote:

"Beware the leader who bangs the drums of war, in order to whip the citizenry into patriotic fervor, for patriotism is indeed a double-edged sword. It both emboldens the blood, just as it narrows the mind.

"And when the drums of war have reached a fever pitch and the blood boils with hate, and the mind has closed, the leader has no need in seizing the rights of the citizenry. Rather, the citizenry infused by fear, and blinded by patriotism, will offer up all of their rights unto their leader and gladly so.

"How do I know? For this is what I have done. And I am Caesar!"

Why do we Americans continue to allow Administration after Administration to play the *traitor*, with our precious rights? There is an old saying that goes something like this: "Fool me once with your trickery and dishonesty, Shame on you! Fool me twice, Shame on me!" Yet we have allowed our government to trick us time after time with their high sounding words, when they were working towards the same end, absolute control of the American people. Yet knowing, this we have allowed them to continue in their *treason*, without ever calling them to account! Shame on us!

Pause for a moment in your thinking, and consider this. According to "**INSIGHT MAGAZINE**", the Bush Administration is following in the *treasonous* footsteps of "*Slick Willie*" Clinton. He took no steps to help Colombia when they first appealed to him for help in dealing with Red Chinese problem. Instead he issued Presidential Decision Directive 73, which was used to keep the Defense Department from sharing any intelligence information with Colombia.

Clinton, while playing *footsies* with Red China, barred Colombia from using U.S. anti-narcotics aid against the FARC terrorists who were seeking to control of Colombia.

Now that our great military leader, George Bush, Jr., is in the *driver's seat*, he is following Clinton's footsteps of no help! No assistance to Colombia!

Our government knows that there are large numbers of Red Chinese soldiers, with their heavy equipment, in the Canal Zone (which for all intents and purposes they now control), and in Mexico and Northwest Canada.

As early as 1976, I sent our State Department, pictures of Soviet heavy military equipment stationed in northeast Mexico, within fifty miles of our border. I was called on the State Department carpet, for having been in a restricted area, and was warned "*to keep my mouth shut*" if I knew what was good for me. When I went on a radio talk show, and told the people of Texas what was happening on their border, I came under attack from the FBI, the CIA, and of course the IRS. Enough public interest was generated, that it was take under advisement by the Arizona State Legislature. In like manner, our government knows about the

Red Chinese pressure along our west coast.

The United States has the unmatched ability to monitor FARC activities in Colombia from both the sky and outer space. The Bush Administration has the ability to give Colombia the vital help necessary to defend them against Communist infiltration, and against the FARC. By using the same weapons we used successfully in Afghanistan, we could end the Chinese infiltration along our vital west coast. Colombia President Andress Pastrama has done nothing to make us believe Colombia is unworthy of our help. Still President Bush refuses to even discuss the problem of Colombia, and no one in his Administration can safely speak about Colombia in public.

Once again we are seeing evidence of secret control over our government.

President Pastrama of Colombia has given the FARC an area the size of Switzerland, and is learning the bitter lesson that you cannot compromise with terrorists.

On February second the FARC hijacked a Colombian commercial airliner and murdered a Colombian Senator. The communist terrorists of FARC have been fighting 38 years for control of Colombia, and have received impressive amounts of military aid from Communist nation such as Red China. A few decades ago this would have been impossible, as the Monroe Doctrine protected this hemisphere. Left wing liberals in our Congress destroyed this very important defense document. As one studies our present problems, it becomes obvious that a *long-term* conspiracy is underway to destroy Christian America.

In a recent speech, President Pastrama itemized 117 terrorist attacks against his country in one 30-day period, all of which murdered innocent men, women and children. Yet President Bush has remained strangely silent about Colombia, and it is evident that word has gone out to all the major news outlets to stay away from the Colombian crisis, and concentrate instead on an all out propaganda attack against Saddam Hussein and Iraq.

Much has been written about this scary phenomenon, but it *must* be impressed on White Christians in particular, that the strangle hold imposed on the media, has been done by the antichrist *death merchants* of Judaism, as an important part of the Zionist effort to "*destroy White Christian civilization*". Make no mistake about it; you are their *target*, even if you are a *brainwashed* Judeo-Christian or Fundamentalist who supports them. It would be well for you to consider 2 **John 9, 10 & 11**, before you make a fatal mistake.

These verses clearly state, "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father, and the Son." ***Listen closely*** to **verses 10 and 11** - "If there come any unto you, and bring not this doctrine (that Jesus is God's Son, the Savior), receive him not into your house, neither bid him God speed: For he that biddeth him God speed is partaker of his evil deeds I sincerely doubt that any Judeo-Christian or Fundamentalist supporter of Judaism would be foolish enough to admit that the Jews do not fit this Biblical definition of an antichrist.

This anti-God coalition will not be defeated by military or political force alone, for as the Apostle Paul recognized in **Ephesians 6:12** - "for we wrestle not against flesh and blood, but against principalities, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Most Christian preachers will tell you that the Christian battle is against a demon they call Satan and his world forces of darkness. Paul does not even hint of our adversary as being Satan, or mention him in this verse. The word ***principalities***, as mentioned here come from the Greek word "***archo***", and means: "magistrate; chief ruler". While the Greek word for ***powers*** is "***exousia***" and means: "those who exercise mastery over".

So using the vernacular English we could say: "Christian, your battle is not against physical, fleshly figures, but against Judges and Chief Rulers in high places who want to exercise mastery over you."

"Because of this the weapons of your warfare, are not carnal (fleshly - guns; bombs; planes; tanks) but the whole armor of God, that ye may be able to withstand in that evil day, and having done all, ***to***

stand!" What a message for Christians in these evil days.

Our only offensive weapon is to be the "*sword of the Spirit*"; which is the *Word of God*. What a challenge to those Christian babies, who read this verse to say: "We wrestle not period!"

We know the Jewish plan is the destruction of all religions but their own with a special emphasis on the "*destruction of White Christian civilization*". We know, because they have told us so!

This battle can be seen in an ABC Evening News broadcast with Peter Jennings on June 3, 2002. (Those of you, who know anything about Peter Jennings, know he is a *dyed in the wool Zionist supporter*.)

On a Talk Show with Don Harris of ABC News, the following conversation took place between Harris, President Richard M. Nixon, and Dr. Billy Graham, before Graham *sold out* to Zionist interests (after he had the promise of William Randolph Hearst, the Jewish News magnate, that if he supported the Jews and Zionism, he would never receive a negative report from the news media on any of his Crusades). Those of you, who have followed Dr. Graham over the years, remember when he began to compromise in matters dealing with Communism, and other evils such as *race mixing*. Here are the comments from this program:

HARRIS: "Mr. Nixon was heard discussing the role played by Jews in the media."

GRAHAM: "Their stranglehold must be broken or this country will go down the drain!"

NIXON: "You believe that?" GRAHAM: "Yes sir!"

NIXON: "So do I ... but I can't ever say that in public, although I believe it."

GRAHAM: "No, but if you get elected to another term, we might be able to do something."

HARRIS: "Dr. Graham says he has many Jewish friends."

GRAHAM: "They swarm around me and are friendly because they know I support the Israeli. But they don't know how I feel about what they are doing to this country."

HARRIS: "Dr. Graham says he has no memory of making such a remark!"

That was in 1992 and the situation with the Jewish control of our media is much worse today. The Zionist grip on our American media is well known, and they brag about it. When it reaches the point where it influences our government then - enough is enough! This is why a high-ranking Israeli official could publicly brag, "We have the best Congress money can buy."

The shocking statement was made by Billy Graham several decades ago, and he could not possibly have known how bad conditions would get for Christians in this country, if the Jews were ever successful in their efforts to bring about a New World Order.

He could not have envisioned the persecution from the antichrists, under which the Christian church lives today. You may deny this by saying, "Our church has no persecution from Jews, and we are free to preach the Gospel." If this is true, one of two things have happened to your church. Either you are under government control of the IRS through their 5010 3, tax program, in which they dictate to your pastor what he may preach (let him step over the line of verboten subjects and see what happens), or you are one of those Judeo-Christian, Fundamentalist churches who preaches a pro-Jewish gospel.

In the June 27<sup>th</sup>, 2002 issue of "**THE ARKANSAS DEMOCRAT GAZETTE**", page one, the following article appeared: "Billy Graham, the Southern Baptist evangelist, met with Jewish leaders in Cincinnati, where he apologized once again, for recorded, anti-Jewish remarks he made at the White House

in a 1972 conversation with President Nixon."

I wonder what Jewish pressure was brought against him to make him change his mind?

You may be one of those Christian churches who considers Billy Graham, as something of a saint, who can do no wrong and refuse to believe the truths of Dr. Billy's defection from the faith once delivered unto the saints. I will give you a personal example of what I saw and heard.

Over twenty years ago before I left the Baptist church and became involved in Christian Identity, I was invited to speak before an assembly of students at Bob Jones University, Greenville, NC. Before the meeting as I sat at lunch with Dr. Bob Jones, Jr., and his dear mother, we called her Mother Jones, I asked Dr. Jones why he thought Billy Graham had made such a radical turn in his Christian beliefs? Dr. Jones told me: "Jack, two weeks ago Dr. Billy and his wife Ruth were visiting here and I asked him this same question. He refused to answer, or even look at me, but Ruth looked me straight in the eye and in no uncertain terms told me - `Dr Jones, we intend to do anything necessary to fill the football stadiums.'"

My purpose in this message is not to expose Dr. Graham, but to show you how insidious the Jewish propaganda program has become, that it can and does influence great Christian leaders.

When Harold Wallace Rosenthal, the Chief Secretary of the powerful Jewish Senator, Jacob Javits of New York, had a paid interview with Walter White in 1945, in Los Angeles, he, was asked: "Do you have knowledge of when and why the Jewish people began to proclaim that they were God's Chosen?" He replied: "Most Jews do not like to admit it, but our god is Lucifer and he is very much alive, so I am not lying when I say we are his chosen." He went on to say, "The Jews are the cleverest people in the world, and have control of the media, this makes the difference." When Mr. White reminded him that they were living in America and were American citizens whose duty was to uphold the laws of this country," Rosenthal sneered at him.

When Walter asked about the KOL NIDRE oath which most Jews take on the Day of Atonement, Rosenthal said: "I don't believe all Jews take this oath, but if they do it is with the Rabbis approval." This Jewish oath makes it possible for a Jew to rescind any promise, oath or agreement he makes with a Gentile for the following year, without sinning.

The Apostle Paul said in 2 **Timothy 4:3 & 4** - "For the time will come, when they (the Israelite people), will not endure sound doctrine, but after their own lusts (longing for fleshly, material things), shall heap to themselves teachers, having itching ears; and they shall be turned unto (Jewish) fables." (See **Titus 1:14**)

The majority of the Christian element has been fooled by President Bush's announcement that he is *a born again Christian*. (This statement alone makes him worthy of support.) Yet very few Christians will ask how a 32 degree Mason can even be a Christian, ignoring their Savior's statement in **Matthew 6:24** - "A man cannot serve two masters." Then check and see the oaths G. W. had taken in order to become a Mason. (His loyalty *must* be to the Lodge, not to God.)

Today, even with the added powers our younger generation has through the Internet, the Jewish power has not been broken.

Today's American can choose from over 200 movies to watch on TV, most of them decidedly un-Christian. The average American, Christian and un-Christian alike has become *beguiled and stupefied* beyond belief; *Mass hypnosis*, would be a better word to use. Most Christians are afraid to admit the ZOG control of our people, and this makes it easier for them to do their dirty work.

It has reached the point where many *born again* Christians seeing Jewish power in operation in the United States, refuse to admit that Zionism is slowly strangling Bible Christianity. In fact they fight the idea

that they are slowly being destroyed, and viciously attack the Christian who has the courage to point this *truth* out to them. This may be what the Apostle Paul had in mind when he told the church at Galatia: "Am I therefore to become your enemy, because I tell you the truth?" (**Galatians 4:16**)

There is an old saying: "*None is so blind, as he who refuses to see.*" Our Savior once said, ""If the blind lead the blind, both shall fall into the ditch."

I have had sincere Christians tell me, "I know my pastor doesn't always preach the whole truth, but my family has been a member of this church for many years, and I staying to change it from within." Brother, sister, you don't have this option, for in God's Word, **2 Corinthians 6:17** tells us to "Wherefore come out from among them, and be ye separate, saith the Lord . . ." We touch and handle the *unclean thing*, when we settle for less than the truth in our churches. In the over seventy years I have observed Christians, I have never seen a church changed from within, while seeing many Christians backslide because they compromised with what they knew was wrong. One way we can counteract Zionist control of the press is to subscribe to the few publications, mostly weeklies that still tell the truth. Write letters to the Editor, complaining in a Christian manner, about what is going on. (While most of them will be discarded, some will be published and will be an encouragement to others to speak out.)

The Scripture of **Genesis 12:3**, God's promise to Abraham, who was a Hebrew (never a Jew), has been used by Judeo-Christian pastors to frighten their people into supporting the antichrists of Judaism. Many, many times, I have sat in a church sanctuary and heard the pastor fervently state: "If we don't support the Jews, God's curse will be on us." I have never heard one of them tell his flock that there were no Jews anywhere on earth until 1200 years after Abraham's time, when we first read about them in the Bible in **2 Kings 16:6**, fighting against Israel.

Yet few pastors have the courage to "*buck the modern trend*" and tell their congregations that neither Abraham, Isaac, Jacob, Moses, or King David, for that matter, were Jews. Abraham and Isaac were Hebrews, and the first Israelites were the seed of Jacob, when God changed his name to Israel (meaning a prince that hath power with God), in **Genesis 33:28** at a place Jacob called Peniel, which means: "I have seen God face to face and life is preserved."

To call any of these men Jews, is an outright falsehood, yet it is done regularly in most churches, and is one of the major points of confusion among Christians, who refuse to see the difference between the Israelites who were God's Chosen (See **Isaiah 45:4**) and the antichrists of Judaism. (No place in the Bible, Old or New Testament, can you find the Jews referred to as God's Chosen.)

Biblically speaking, Jews and Israelites cannot be considered as the same people although Judeo-Christian pastors and Bible scholars consistently call them the same. They are trains on different tracks, headed in opposite directions.

A few years ago the Judophile Baptist pastor Jerry Falwell, made a public statement in which he stated: "God has blessed America, because we have been kind to the Jews." Yet any intelligent person knows that the time of America's greatest debacle has come since we first accepted the Israeli nation in 1948. We have gone downhill in every major area - education; politics; finance, in the military (where we fought two no win wars, for the benefit of International Bankers), and certainly morally and spiritually.

I cannot think of a single event in which this country has benefited from being the ally of the antichrists. I can think of several in which our trust has been betrayed.

Could it be possible that we are seeing God's threat in **2 Chronicles 19:2** taking effect? "Shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon you from before the Lord." I doubt that any Judeo-Christian would dare to say that the Jews are not antichrists who regularly refer to Jesus as *a bastard* (See **1 John 1:22**).

A classic example of Jewish control of the press is the case of the American Lt. Commander who was shot down over Iraq, on the first night of combat, January 17, 1991. He was declared dead in the next day's news, as the first casualty of that war.

Now quoting from the DC press and discussed on national television, Defense officials have suddenly; after eleven years obtained information that he has been a prisoner in Iraq over the last eleven years.

Why did this information suddenly and mysteriously appear in the nation's newspapers, after eleven years, just at the time the President is pushing Congress for further military action against Iraq?

What was the reason for America to abandon him in the first place? (Although a precedent was made in both the Korean and Vietnam Wars, where thousands of American soldiers were unaccounted for in enemy hands.)

It was President George Bush, Sr., who in a cowardly action called off the war before victory was complete. You may recall, how Bush, Sr., to the dismay of his senior military commanders, abruptly and unexpectedly halted the war after only 100 hours of fighting. This left Saddam Hussein still in charge of Iraq, and left Commander Specker without an opportunity to reach safety.

He was actually abandoned by our government policy as a Prisoner of War in Iraq. Where were the cries of outrage from our Veteran's organizations and the Christian world?

Concerned Christian citizens in particular should do everything in their power to keep Bush, Jr., from reopening the Iraqi War. It will only add to the 40,000 plus casualties from the first war, which is increasing at the rate of 6,000 per month. What will be your reaction when 100,000 or more Americans are called into active duty, and go face, biological and chemical weapons we are assured Hussein will use against us at this time? It would not be too far fetched to believe it might escalate into a nuclear war, especially if Hussein is tempted to hit the Israeli with a chemical or biological missile. (He has that capability.) The Israeli Firsters in our Congress, and this may be as high as 70% of the Senate, and a majority of the House (going by their present voting record), seem more interested in the preservation of that little "*bastard, antichrist State*" in Palestine, than in what is best for this country. I believe, based on their past actions, that some of Congress would go so far as approving a nuclear exchange, if it led America into their cherished New World Order.

Since World War II, it seems that America's definition of *treason* has undergone a frightening change, and where it was once looked on as the most heinous of political sins, it is looked on with favor, if it brings the desired political results. "**Treason prospers, what's the reason? For when treason prospers, none dare call it treason.**" An expected aftermath for a nation whose Christian people have accepted apostasy as a way of life.

The Apostle Paul recognized this danger that was already creeping into the First Century Christian church and warned about it in **2Thessalonians 2:11 & 12**, "And for this cause (See **verses 3-10**) God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness." (See **Titus 1:10,11, & 14**)

In **1 Timothy 4:1**, he says again, "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils;" (See **Matthew 23:15**)

Are you one of those Christians who are willingly taking part in this apostasy because of your refusal to see that the antichrists of Judaism are yours and God's enemies? What your pastor teaches will not stand up in the Judgment, if it is contrary to His Word.

The real, purpose of this planned war of genocide can be seen in secret documents that come to light from time to time, and indicate a desire on the part of our Israeli allies to balance the Arab population with that of the Jews in Palestine, while a secondary benefit is to destroy America's power to defend itself, by

disabling 100,000 of our troops in an Iraqi War. Once again we will be *pulling Jewish chestnuts out of the fire*, while at the same time we prepare ourselves for their planned One World slavery.

These revealed documents prove that we, the American people, Christian and non-Christian alike *must* not be taken in by the propaganda that will emanate from our own government. There is little doubt in my mind, that if we are *sucked into this immoral war*, we will see a huge media campaign to make those of us who oppose it as unpatriotic. Just as they did with Charles Lindbergh in World War II. Yet at the same time we were seduced into that war. Polls indicated that 75% of the American people were against it. It took a contrived incident like the Pearl Harbor attack to get us mad enough to fight. Was this the major purpose of 9-11? I feel I have a right to express myself, as I was not one of those who ran away to avoid combat. I was a volunteer and served as a combat infantryman in World War II and Korea. It was not until those wars were over, and I was honorably discharged, that I learned how the International Jewish bankers for their enrichment, and our ultimate destruction as a Christian nation had used us.

I predict that if President Bush calls for a draft to expand his war against terrorism, we will see demonstrations once again with signs like "**HELL NO! WE WON'T GO!**" Only this time they will be legitimate.

Former Israeli Prime Minister Netanyahu stated on MSNBC and FOX News, April 22nd: "America *must* invade Iraq ... or face suicidal bombers in your pizza parlors and on your city buses."

Who, under all that's holy, is giving orders to America? Must we listen to and be led by the ranting of one of the Middle East's worst terrorists, just because he is a Jew and his people are now suffering as the result of his terrorism? I know a threat when I hear one, and this is as close to one as you will ever get.

Of course having heard this threat, the average mind-controlled Christian will take this statement as a friendly warning! How utterly absurd! This is no friendly warning, but a threat of what will happen if the Israeli do not get their way in this proposed war. The MOSSAD have done their dirty work before, than blamed someone else, and there are many destitute Arabs, who can be bribed by a few American dollars the Israeli got from the U.S. in the first place. Not only would their families be taken care of, but also they would be assured a place in Paradise, with all those lovely virgins to wait on them hand and foot.

Of course no matter what the proof, Judeo-Christians would never lay the blame on the Israeli.

Pure and simple, this was a threat from the Israeli of what we can expect if we don't back Zionist demands.

Instructions to our government are being passed from Sharon, the Israel Prime Minister, through the Zionist Jew, Henry Kissinger (who has always been America's enemy. He served as a *double-agent* for the Russian Communists in World War II, while he was a Master Sergeant in the U.S. Army), to President Bush while Sharon, stands accused of *genocide* before the United Nations. President Bush has openly declared his intentions of backing the Israeli, no matter what course they may take, and the majority of *war hawks* in our government, are Israeli backers.

The majority of our publishers, politicians, public speakers, and Christian pastors, are afraid to even criticize the illegitimate, international Zionist State of the Israelis, and the preachers have falsely taught that these antichrists are God's Chosen, who must never be criticized in any manner. They have completely forgotten the wise counsel of Moses in **Exodus 23:2**, when he said, "Thou shalt not follow a multitude to do evil; . . ." History has proven over and over again, that the majority are usually wrong.

Ask yourself this question. Whose anger would you rather face, that of the antichrists, or of Almighty God? The choice is yours.

Those of us who have had the courage to speak up and tell the truth have received harassment, both

from the enemy and those who claim to be Christians. This proves to me that we must be doing something right, or the enemy would not waste time and money in order to counteract the truth, which they dare not face!

Zionist demands on the United States should leave every decent American boiling with righteous anger.

Instead we have been taught by Jewish propaganda power, to take all insults meekly, and never, never ever think of acting like free men and women again.

It is very possible, that we may face more than verbal threats in the months ahead. Threats unanswered always leads to enemy action. We have been engaged for months in Mr. Bush's war on terrorism in Afghanistan. After going deeper in debt to pay the costs of this expensive war, ask yourself, "What have we gained?" Our military has been weakened, as we have fired thousands of costly missiles and bombs, blowing holes in the rugged mountains of the enemy. Now, when we will not even defend our own borders. This Administration is in danger of being *sucked* into another war in Iraq, which will benefit only Zionist interests. When will we learn, that we cannot win when we support the enemy? How the Israeli Jews must laugh as they again see the stupidity of a once Christian people, who have been taken in by their propaganda, and literally turned their back on God.

In the Book of Judges, we see what happened when Israel turned their back on God, and went their own stubborn way. The Book says, "And Israel did evil in the sight of the Lord, and the Lord sold them into the hands of their enemies" (**Judges 2:14; 3:3; 3:12; 4:2; & 6:1**). In every case where Israel repented, God sent them a deliverer. In one case this was a man called Gideon. In **Judges 8:33** we read, "And it came to pass, as soon as Gideon was dead, the children of Israel turned again, and went a whoring after Baalim, and made Baal-berith their god. Then in Judges 10:6 - 8, we are told, "And the children of Israel did evil again, in the sight of the Lord, and served Baalim ... And the anger of the Lord was hot against Israel, and he sold them into the hands of the Philistines, and into the hands of the children of Ammon. And that year they vexed and oppressed the children of Israel: eighteen years, ..." In Judges 13:1, we see a ai that Israel did evil in the sight of the Lord; "and the Lord delivered them into the hand of the Philistines forty years."

Why have I gone into such detail from the Book of Judges? If God never changes as His Word indicates, what makes us believe He will look with approval on the sins of modern Israel? Must we be driven to our knees, and have our noses rubbed in the dirt as our forefathers did, before we will listen to God, obey, and be saved, both physically and spiritually? Many of you who consider yourselves Gentiles, for that is what your pastor said you are, are nevertheless Israelites of the seed and bloodline of Abraham. Just because you do not want to accept this truth, or some pastors deny this, cannot change the fact.

God's Word says, "For whom the Lord loveth He chasteneth, and scourgeth every son whom He receiveth." (Hebrews 12:6) Do you really want to know if you are saved? Then consider verse eight of the same chapter - "But if ye be without chastisement, whereof all (sons and daughters) are partakers, then are ye bastards (illegitimate children), and not sons (and daughters)." Meaning: "If you are His son or daughter and sin (disobey His law, 1 John 3:4), and are not whipped (punished by God), then you don't belong to Him." It's as simple as that. Don't get angry with me for passing on this truth, for it's not original with me, but comes from God's Word. If you are an Israelite, your obligation to God and your fellow man are greatly increased, whether you are willing to accept the truth that you are an Israelite or not. You cannot plead ignorance, or blame your pastor for misleading you, for you have God's Word for confirmation.

How can America sing the words of our National Anthem: "The land of the Free, and the home of the Brave", when so many of our people have become moral and spiritual cowards?

It is very possible we may receive more of these threats in the months ahead. Some may come, from our own government, so pay close attention to MSNBC and FOX News and ignore most of what you hear and see on the controlled television. You maybe able to get some good news from independent sources.

A quarter of a million troops will be needed to adequately invade Iraq. (I didn't come up with that figure from the top of my hat, was given recently by a high-ranking State Department Official.)

If we send these men to Iraq, who will defend our borders, if our enemies decide now is a good time to attack us? Now might be a good time for concerned Christians to review Ezekiel 38 & 39, as this attack will not be against the little Israeli nation in Palestine (Contrary to Jack Van Impe). How will we defend America when there are already over 70,000 foreign troops with their heavy equipment on American soil? God alone knows how many illegal enemies are within our borders.

Could Mexico, Cuba, North Korea, or Russia, resist the chance to hit us, if Red China took this golden opportunity to strike us from their West Coast bases? What good are our nuclear missiles, if we are destroyed in a nuclear exchange, or lose 100 million of our people?

Any treaties we make with Russia or Red China will surely fall under the criteria laid down by Nikita Khrushchev, when he said, "Treaties are like pie shells; made to be broken."

I did not agree with most of the war resisters in Korea and Vietnam, as they showed by their actions they were not so much against the war, as they were against *Free government*. I had numerous confrontations with them in Canada and on American college campuses, and almost without fail they were led by Jewish Communists from the SDS (Students for a Democratic Society), and young Jews like the Communist Abbie Hoffman and Jerry Rubin.

It was this Jewish influence during Vietnam that caused me to make an in-depth study of Judaism and awaked me to the falsehoods of Judeo-Christianity, as they taught that the Jews are all of Israel, when they had never been a part. (I was a member of a Fundamentalist Baptist Church at the time, and a traveling evangelist.) I was amazed to find what the Word of God taught about the Jews, which I had never heard mentioned in a Judeo-Christian church. Further study, as to who Israel actually was, from the Bible and history, led me into the Kingdom movement, over twenty-five years ago. I have never found a Judeo-Christian pastor or Bible scholar, who could prove to me from God's Word, that the antichrists of Judaism were God's chosen. I did discover they were God's worst enemy, dedicated to the destruction of all religions but they're own, and especially dedicated to the *destruction of White Christian civilization*, who they consider their worst enemy.

It seems strange and infinitely sad, that professing Christians would support those who refer to their Savior, as *a bastard* Yet they were taught this falsehood in their own church.

We as Christians have no business being involved in *entangling foreign alliances*, especially those of non-Christian nations. Some of our wise statesmen have warned about this, and God's Word forbids it.

In **Deuteronomy 28**, we have a clear picture of what happens when people obey or disobey God's Word. Notice **verse 43 & 44** in particular occurring when a people are disobedient, "The stranger that is within thee shall get up above thee very high, and thou shalt come down very low ... he shall be the head, and thou shalt be the tail." If you can't see how this has happened in the United States, it's because you have deliberately closed your eyes to what's taking place.

The very purpose of another war with Iraq is immoral, ungodly, and wrong. Every sign points to it as being a Zionist means of committing genocide against a people they fear and thus hate, and once again they will be coercing the United States into fighting a war we do not want, which will only benefit World Zionism and further their aims towards a One World Order, as it weakens us. (There is nothing as evil as the hatred of a people towards those they know they have wronged.)

The only ones who gained from other Zionist induced wars, such as World War I and II, were the International Jewish Bankers, and warmongers who grew fabulously rich off the blood and suffering of *brainwashed* Americans. A few like Charles Lindbergh saw through the Jewish plot, and tried in vain to warn our people. The traitors in our government who sold the American people down the river to Jewish

profiteers labeled them as *traitors* or *turncoats*.

A well known American philosopher once said, "He who will not learn from the mistakes of history; is bound to repeat them."

Today America and the free world, stands on the brink of what could turn out to be the biggest mistake we have ever made, because it could very well escalate into a war that will destroy the free world and bring about the Zionist Slave State.

When will the clear thinking men and women in our government (and we must have some), stand up and tell our top officials in Washington, "This is as far as we will allow you to go in your *sell out* of American interests. From now on we will hold you accountable for the oath you took when you became our leaders. There will be no excuses for not knowing and doing your duty." It is only as we the citizens of this country, demand that our leaders follow their oaths of office, that we can expect a honest government, and we must always be on the alert for those who would do otherwise, as "eternal vigilance is the price we *must* pay to remain *free*."

There are times when freemen must fight for their rights. This was the case in England in 1215 AD when the English barons confronted the tyrant King John and demanded their rights as Englishmen. The King laughed at them. Then on a foggy day in 1215, at a place called Runnymede, they confronted the king with swords in hand, and forced him to sign the Magna Carta. That magnificent document of freedom that preceded our Constitution.

Our closer ancestors did the same thing when King George of England trampled on American rights in 1776. Then American citizens, at Concord and Lexington, '*fired the shot heard round the world*', and we became a *free sovereign* people. Our enemies are still trying to destroy our cherished freedom, and make us slaves of their New World Order Slave State. We must not allow this to happen, as it will retard civilization to another Dark Ages.

Our people ... those we depended on to preserve our freedoms, especially those in the Christian church; those who should have been foremost in the defense of our freedom, have through apathy, brought about by the "*good life* " and through deceit, often become defenders and supporters of those who say they mean to destroy us.

This complacency must be changed if our people' are to remain free and sovereign.

The war against Iraq has continued for eleven years without a letup, with Allied planes making frequent flights over a sovereign Iraqi territory. Certainly we would not allow this to happen here.

Our Zionist sponsored treatment of the Iraqi has resulted in the deaths of tens of thousands of Iraqi men, women, and children, who are the hardest hit by lack of food and medicine. These people are not our enemies, and should not be held accountable for the sins of Saddam Hussein. (Remember it was the United States who set him up in power, and made billions off the war materials we sent him, giving him the ability to produce the missiles, which Israeli now fears.) Iraq poses no danger to America now or in the near future.

We know the Israeli have the largest collection of nuclear weapons in the Middle East. Time and time again they have refused United Nations demands for inspection of their weapons sites. Why are we not demanding they do the same, as we want from Hussein? Do we have some kind of double standard, that says treat the Jews with respect, but do anything the Israeli want, which will further inflame the Arab world?

The Israeli have proven themselves to be untrustworthy allies, even attacking and killing Americans. Yet they got by with it, because of the influence of the Zionist Lobby in Washington, DC and the support of the majority of the Christian world, which has been seduced into accepting them as God's Chosen, who can do no wrong.

A war against Iraq, will no doubt fail, as far as getting rid of Hussein or the hardnosed Iraqi leadership. Many of them would no doubt defect to the United States, where they would be easy marks for the CIA and MOSSAD, and could easily be recruited as terrorists against this country. After CIA and MOSSAD training would it be too far fetched to believe they might carry out the threats of Netanyahu against us?

You don't have to attend a Bildenberger or Tri-Lateral Conference to know what is taking place. Their actions are obvious to anyone who has honestly taken the time, and effort to study them. In 1991, 2400 Iraqi soldiers were taken as '*prisoners of war*', and kept under confinement somewhere. Then suddenly in March of 1994, it was reported that many of these "*hardliners*" were in the United States where they were being converted into becoming good American citizens, and given refugee status. (Does anyone have a large bridge they would like to sell? They could doubtless find a buyer, among the *fuddle brained* bleeding hearts of liberal Christians in America.)

In a State Department Bureau of Refugees Program, on March 2, 1994, as reported in the Knight-Ridder newspaper chain, it was reported: "Former Iraqi prisoners of war, will be eligible for refugee status and both Federal and State Welfare Programs, including Medicare and Medicaid."

President Clinton personally gave his approval to the Immigration-Naturalization Services, to process 3,000 former Iraqi fighters and their families for resettlement in the United States, and naive people wonder why Americans look with suspicion at Arabs in their neighborhood, who can't even speak English, are heathen in religion, and do not understand the Christian life, and will as the Book states, "Become thorns in our sides, and pricks in our eyes", and "will lead our people away from God." (Not my prediction but that of the Bible.)

Already the Muslim religion is the fastest growing religion in America, with mosques being built all around the country. In spite of what Dr. Billy Graham, and the Pope say, they do not worship the same God as Christians do, and they must come to God through Jesus Christ. He said Himself, "No man (woman) cometh unto the Father but by me" (**John 14:6**). That was the message Billy Graham preached for years, until he was seduced by the *spirit of apostasy*, and began to preach the modernist gospel that all men will eventually be saved (this is known as "**UNIVERSALISM**"). **1 Timothy 4:1** speaks about this, "Now the Spirit speaketh expressly, that in the latter times, some shall depart from the faith, giving heed to seducing spirits, and doctrine of devils." If any so-called Christian pastor or layman preaches any method of reaching God, other than through Jesus Christ, he is an apostate and antichrist!

At the end of the "100 Day's War" in Iraq, the International Red Cross classified about 1,000 Iraqi soldiers as POW's. This in spite of outraged expressed by Veteran Organizations and several members of Congress, who pointed out that many of these men should be classified as security risks.

Bush, Sr., approved of this, although he knew that there were men in this group had: "*bones to pick with America*". Our government knew that many of these men are well-trained killers, hardened for terrorist acts, such as suicide bombing. Yet isn't it interesting to note that all such attacks have been against civilian targets, and they have made no known effort against the Israeli KNESSET (the Israeli High Command). According to government reports 2041 Iraqis were resettled in the U.S. between September 19, 1992 and August 1993, including 533 former POW's. Bush, Sr., was President at this time and is directly responsible for 2041 potential terrorists legally entering this country, to add to the estimated 70,000 who are already here.

It is not a laughing matter my Christian friends, for you will be their target if they ever strike from within. The potential is there, government approved.

As I have said many times before, our fight against terrorism should begin in the halls of Congress, and among many of our churches.

Those who openly promote their Socialist ideas are more dangerous to us than enemy armies.

Apparently most Christians in particular have underestimated the depravity and deviousness of the

Secret Societies that now *ride herd on the world*, and have infiltrated our intelligence agencies such as the FBI and the CIA.

As concerned Americans, especially if you are Christian, you should make every effort to bring these facts before our people. A genuine protest by decent people concerning the large numbers of potential enemies in America, would force our government into action, where we would bring our military home and defend our borders against any potential enemies.

Point out to your local newspapers that 100,000 American servicemen and their families have already died, or become ill, from the results of Iraqi War I, with an additional 6,000 dying every month from it's long range effects as the results of that unnecessary war.

There is absolutely no question that the Israeli's are behind this long simmering conflict, and recent events have developed in Palestine, that has caused numerous members of the Israeli Defense Force to refuse duty in occupied Palestine, due to the inhuman treatment of the Arabs by the Israeli military. You know that the Israeli High Command will punish these men to the maximum. It is good to know that even our enemies, have men of conscience who will stand up against immoral actions by their own government.

It is SOP (Standard Operating Procedure) for the Israeli military to invade Palestinian land, which has been the legal property of his family for hundreds of years, evict the owner, by force if necessary, steal his land (It was never given to the Jews by Divine Mandate as the Judeo-Christian supporters of these antichrists claim), bulldoze his home, send his family to live in a Refugee Center, where they are periodically assaulted by the Israeli military, using weapons supplied by our government, and with it's approval and that of most of the Christian church world. Then many of our seduced people wonder why the Arabs retaliate with the only weapons they have available, stones and terrorist attacks, which turn decent people against them everywhere. It would seem, that astute and intelligent leaders in the Arab world would recognize this fact, and take steps to keep the terrorist under control. Yet looking at the Palestinians problems from every angle, we must admit that it is Jewish aggression and American government and church support that are at the bottom of this problem. As long as we allow Jewish control of our government, so long will we be saddled by the Palestinian problem, with much worse to come, as International Zionism seeks to force their New World Order on the rest of the world. If they are successful in controlling us in Palestine, it will be an open invitation to try and control us worldwide.

Terrorism is always evil, when used at any time and for any purpose, for it always breeds more terrorism. We had it used against us in World War I and II, for the purpose of forcing us into those wars. We retaliated by using the Atom bomb (which most assuredly was a terrorist weapon), which killed over 100,000 people at Nagasaki and Hiroshima. Then allowed our Allied Air Forces to bomb the unarmed city of Dresden, Germany, in which over 230,000 died. Both of these were unnecessary for the promotion of the war or for winning the war. They were acts of terrorism by our government.

When a country's military, indicates knowledge that what they are doing is wrong, you get some idea of just how wrong they must be. The Israeli military I mentioned earlier, who refused duty against the Arabs in Palestine, issued the following statement, "The price of occupation is the army's loss of it's human image ... and the corruption of all Israeli society. We will continue to serve in Israeli defense. The mission of occupation and repression does not serve this goal, and we will not be a part of it."

Would to God, that the Christian church world that is supporting this aggression would get a vision of this righteous thinking. Several hundred of the Israeli Occupation Forces in Palestine signed this statement. A major peace demonstration in early February in Tel Aviv drew over 10,000 protesters.

Why should Americans, many of whom profess Christ, pay for this war of aggression, which was nothing to do with our defense? It is being fought purely for Zionist interests.

Both Arafat and Sharon have proven to be false leaders, who are not interested in peace. Their own people who really want peace should drive them out of office.

It would be well for Christians Americans to review the words of 2 **John 10 & 11**. Christian, listen to me. Do you want to be held liable before God, for the thousands of innocent, being killed by the antichrists?

Many American Christians have been falsely taught in their churches, that the Jews in Palestine are entitled to this land by Divine Mandate. This is one of Zionism's main victories over the thinking of Christian Americans. Many of our pastors and Bible scholars have deliberately twisted God's Word around to fit Jewish interests. (They will answer to God for this one-day.) Today Jewish interests are engaged in a costly battle to change Scripture around to fit Jewish interests. One example is their drive to remove all reference to Jewish guilt in the murder of our Savior. They have already been successful with some Bible publishers.

Attempts to have them modify their Talmud, and remove the many antichrist, and anti-Christian remarks, are met with contempt.

This false teaching in many so-called Christian churches, has enticed good Christians into supporting those who are determined to destroy them. It is past time for professing Christians to "*wake up*", and see how the antichrists are attempting successfully to destroy us. Follow the Bible, not what man teaches. In this way you will never be led astray.

For a full and accurate coverage of the apostasy that is attacking Christianity, I suggest you write for Dr. Gordon Ginn's new book, "**THE FINAL APOSTASY - PRELUDE TO ANTI-CHRIST.**" I have just completed studying this 218-page book, complete with footnotes, which I believe should be in the hands of every Christian pastor in America. With in depth perception and research, he shows how this apostasy is taking place in America, and it's effect on the witness of the Christian church. With historical and Scriptural understanding, he shows who the enemy is, that is backing this apostasy. (Correctly enough he does not lay the blame on the favorite *scapegoat* of the JudeoChristian church - Satan.) Written in words any layman can understand, it is one of the most astounding books I have ever read, and is well worth its price of \$16.00, including postage and handling. You may order it from **CRIMINAL POLITICS MAGAZINE**, P.O. Box 37812, Cincinnati, Ohio 37812, or by calling (1-800-534-0486). (All funds paid for this book will go into a special fund, handled by Dr. Ginn, and will be used for the printing of more of these books.) You can help the cause, by getting this truth to our Christian people. I'm sure after you have read it, you will want to order one for your pastor.

For far too long, the true Christian church (not denomination), have sat still while a subtle enemy has been given free reign to *destroy White Christian civilization*, and the church today stands like a man with "one foot in the grave and another foot on a banana peel." If the enemy is successful in destroying our Christian witness, and outlaws Christianity as they have threatened in their New World Order; we will take Christianity to the cemetery, bury her, and over her grave erect a grave stone with this epitaph: **"CHRISTIANITY DIED BECAUSE CHRISTIAN PEOPLE DIDN'T WANT TO BE BOTHERED!"**

There is only one sure answer to the dilemma we find ourselves in and that is in the promise made by God to King Solomon, regarding His Israel people. Every one of you who knows they are an Israelite should know it by heart. It is so simple and understandable that it has become a snare to many

intellectuals' government and church leaders alike, because of its simplicity. These are the men who believe that only they know how to handle the world's problems, and that any simple, easy to understand answer must be wrong. They are the people the Apostle Paul speaks about in **Romans 1:22** <sup>-Professing</sup> themselves to be wise, they become fools."

This promise, as you know says, "If my people which are called by my name, shall *humble* themselves, and *pray*, and *seek My* face, and turn from their wicked ways; then will I hear from heaven, and will *forgive* their sins, and will *heal* their land."

Notice carefully. It does not say "If the heathen and the backslidden church members come to Me in revival, I will hear and save." It is very specific. It says, "If my people." Who are they? Read **Genesis 21:12 and Amos 3:2**, and see that these people are not Africans, or Asians, or Eskimos. They are the White seed of Isaac, by whose name; the seed of Abraham would be called (Isaac's sons; Saxons). In **Amos 3:2**, we see where these are special people who alone from all others have been called by God. These people in time became know as Christians, "called by God's name."

What significance does this verse have for us? It means that we have a special obligation before God, in order for mankind to be saved from annihilation (See **1 Peter 2:9**). We hold the *key* for revival and survival in Christendom, if we are willing to *repent and obey*.
