### FROM THE WATCHMAN'S CORNER TERRORIST INTELLIGENCE REPORT - SEPTEMBER 2001

In the aftermath of the September 11th "terrorist attack", on the Twin Towers in New York City, and the Pentagon, this country is in it's most highly emotional state since December 7, 1941.

When tempers and emotions are high, as they are now, any attempt to show men and women the TRUTH, becomes exceedingly difficult, especially if it exposes evil in our government. Many of you will be upset with what I give you in this report, and some may think it borders on TREASON.

Yet in order to deal properly with this crisis, concerned Americans MUST get to the root of the problem, even it means "stepping on some toes, or ruffling some feathers". "Am I therefore to become you enemy, because I tell you the TRUTH?" In order to cope with our problems we MUST know the TRUTH, even if it is unpleasant.

In dealing with incidents such as this attack, it is important that we remember an old Latin saying: "Cuo bono", which literally means: "Who stands to profit; who benefits from it?" Once we can give this an intelligent answer, we will be close to the TRUTH, for nothing happens by accident. As F.D.R. once said: "Nothing in politics happens by accident, it is all planned before hand, in some smoke filled room." (A conspiracy perhaps?)

The information I give you in this report comes from several reliable sources, which MUST be kept secret for security reasons. It could be dangerous for me, because during World War I and II, in both Britain and the United States, men and women were illegally imprisoned for questioning government actions.

People have asked me: "Aren't you afraid to speak out as you do?" and while I am no braver than the average Christian, my answer must be "No!" For like Jesus as He stood before Pontius Pilate in the Judgement Hall in (John 19:11), I can say: "...Thou couldst have no power against me, except it be given there from above..." My King has told me in (Matthew 10:28) - "Fear not them which can kill the body, but are not able to kill the soul; but fear rather fear Him who is able to destroy both body and soul in hell".

My duty is not to try and PERSUADE you of anything. That is the task of the Holy Spirit. For some reason unknown to me, God has ordained me to be a WATCHMAN on the walls of America, according to (Ezekiel 3 and 33), and my task is to warn my people when I see danger to them. Once I have done this it becomes a personal matter between God and them, and He will hold them accountable for the TRUTH they have heard, whether they want to accept it or not.

TERRORIST INTELLIGENCE REPORT - 2

So I am compelled by my duty to God and my people to warn you of the dangers posed by the "barbarians that are already within our walls." (TRAITORS is the proper term to use!)

I'm an old man now, nearing 86, with not too many days left in this life, so I refuse to be intimidated by the forces of evil that will seek to silence me. For to me "to live is Christ, and to die is gain." (Philippians 1:21).

We do not like to see our government criticized and rightly so; but when it engages in evil deeds, which hurts us all, and is slowly destroying Christian America, then these MUST be exposed to the light of TRUTH, no matter how high up they may be.

So thinking along these lines, let's backtrack in history to see why hatred for America, that would cause such a terrible act, has been allowed to flourish, often with government approval.

It will necessary for us to go back to at least 1913, when a minority in our Congress pushed through the Federal Reserve Act, that gave our national economy into the control of a Christ hating heathen element. One of their top people once said: "Give me control of the economy of a country, and I care not who makes their laws." Since 1913, we have paid a high price of trillions of dollars to keep these heathen "blood suckers" in power. Don't laugh when you see or hear Z.O.G. (Zionist Occupation Government), for that is what our government has become whether Republicans or Democrats are in the driver's seat. It has become so obvious, that a high ranking Israeli official could publicly state: "We Jews have the best Congress money can buy!"

The American people are being held hostage today, by a heathen force whose slogan is the "destruction of White Christian civilization" and the imposition of slavery in their One World Government.

This control has taken place under a number of TREASONOUS acts, many of them supported by so-called Christian sources. Many who have perpetrated these acts, have taken an oath of office to defend America from all enemies, both foreign and domestic, and have become TRAITORS to their people and their God. It has been their acts, in support of the anti-Christ's, which has led to world hatred of America; the kind of hatred that evolves into terrorism. Once we were loved and admired by the Arab world now we have become known as the Great Satan to many of them.

Our national danger has come mostly from within, from "barbarians who have infiltrated behind our walls."

TERRORIST INTELLIGENCE REPORT - 3

Every American War since the War of 1812, with the exception of the War Between the States, has been fought for foreign interests. Not one has been in the defense of America and were fought against the will of the American people, who first had to be "fired ~~up~~" by some horrible act, like the attack on Pearl Harbour?

In World War I it was the planned sinking of the passenger ship, the Lusitania with many American lives lost, when the German High Command had warned us that she would be considered as "ship of war", since she was carrying ammunition for the Allies. In World War II, it was deliberate pressure put on Japan by England and America, that forced her into her overt attack on Pearl Harbor. Here our military received no warning although Roosevelt knew it was about to happen and deliberately withheld notice of the impending attack, then falsely blamed our military commanders.

In Korea in 1950, where I was assigned as an Advisor to the Republic of Korea forces, we knew war was eminent, and warned the State Department, but Ambassador William C. Muccio, from our State Department, deliberately withheld this information from General Mac Arthur's Tokyo Headquarters, and when I found documents left behind in Muccio's office, after the war began, and sent them to Senator William Knowland, of California, "all hell broke loose" for him and me, and we were mercilessly harassed by the Truman government. Again in 1961,62, I saw State Department treason in Eritrea, as they mishandled relief supplies, and when I went to the State Department Representative in Asmara and confronted him with proof, he threatened me with a Dishonorable Discharge and imprisonment, if I talked about it. When I sent evidence to Rep. John Paul Hammerschmidt about this, once again I came under attack by Army Intelligence personnel, which became so severe that I resigned eight years prematurely in 1964.

Many of you know how I came under State Department harassment in the mid-seventies, when I presented State with evidence that Russian and North Korean forces were operating with their heavy military equipment within fifty miles of the U.S. border. Again I was warned to "shut up," and when I refused, they sicked the I.R.S. on me, who in three years stole over \$130,000 from this Ministry, including an entire year of my Military Retirement Pay in 1999. (I was kept afloat by the largeness of Christian patriots, who refused to allow this Ministry to go under.)

So you see, I have tangible reasons for disliking our State Department, which has been riddled by Communists since at least 1933.

During this same period, with World War II won for all practical purposes, Truman unleashed the atomic bombs on Hiroshima and

TERRORIST INTELLIGENCE REPORT - 4

Nagasaki that killed over 100,000 Japanese, another act that added to world hatred for America. At about the same time, General Eisenhower, the Swedish Jew, who expressed his hatred for the German people, and the Allied High Command, ordered the aerial attack on the refugee city of Dresden, Germany, that was not a military target, and murdered over 200,000 men women and children. Eisenhower added to his crimes, by deliberately starving over 2-million German soldiers and civilians after the war ended, by withholding food from them that had been sent to Germany as relief supplies by our government. The American "kept press" made him a hero, and President. All these things added to the fuel of world hatred for once Christian America.

But probably our greatest sin came in 1917, when the Balfour Declaration promised Palestine to the Israeli people. Later when they became a recognized country, they stole land that had belonged to the Arabs for centuries, and without "legal, moral or spiritual" right, drove the Arabs off their land, and into refugee camps. Now for 55 years, with American backing and equipment, have harassed the Arab, Palestinians, many of whom are Christian, killing thousands of them with equipment made in the U.S. and given to them by our government. They have had the approval of the American government, and most of the Christian church world, who have been seduced by clever propoganda into believing that the Turco-Mongolian Israelie were the one's to whom God's promise was given. Yet they hate our God, and His Son Jesus Christ, and everything you say you believe as a Christian.

If you believe the Bible, then you *MUST* believe what Jesus said to the Jewish leaders in (John 10:26), "But ye (Jews) believe me not, because ye are NOT OF MY SHEEP," (Emphasis mine!)

Will you continue to support anti-Christ's when God Word says in (2 Chronicles 19:2) - "Shouldst thou help the ungodly and love them that hate the Lord; therefore is wrath upon thee from before the Lord." (Who will you believe; your Savior or some brainwashed preacher?) God's Law is as sure today as when it was first given, it is expressed in (Galatians 6:7): "Be not deceived, God is not mocked, for whatsoever a man (or a nation) sows; that shall they also reap". We have sowed the wind in America, and are now reaping the whirlwind. I believe we are seeing just the beginning of God's discipline on *DISOBEDIENT* White Israelites in America, as He takes us to His "woodshed", for further discipline.

"For whom the Lord loveth He chasteneth, and scourgest every son whom He receiveth, (Hebrews 12:6). Then (vs 8) follows with a statement that can assure us of our salvation: "But if ye be without chastisement (when you disobey), whereof all (Christians) are partakers, then are ye bastards and not sons."

TERRORIST INTELLIGENCE REPORT - 5

Today the arms that are killing Palestinian Arabs, many of whom are Christian are marked "Made in America," and are being used by the Israeli in their attempts to subdue the Palestinians, with the full approval of the United States government, and most of the Christian churches. These Christians, for the most part, have been seduced by Jewish propoganda into believing they are aiding God's Chosen, when in reality they are aiding His enemies. Any attempt by knowledgeable and conscientious Christians to educate our people to this TRUTH, are met with contempt and often outright hostility on the part of the "kept press", and most of the church world, and they are labeled as being "anti- Semitic; hatemongers; neo-Nazis, K.K.K. etc.," when in reality they have proven by their actions, (not their words,) to be the the staunchest citizens we have. (I am proud to bear the label of a Christian Patriot.)

Today the evil chickens of our DISOBEDIENCE to God, are "coming home to roost," and we are frightened and confused. Some confused Christians might say: "But look at how our people have responded. Our churches are crammed, as never before, and people are praying". This is as it should be. But how many pastors have you heard tell their people that God will not hear their prayers, if there is unforgiven sin, (DISOBEDIENCE, 1 John 3:4) in their lives?. In all the millions of media words that have been spoken about the terrorist attack, not once have I heard the American people urged to seek God's forgiveness and to turn back to Him in OBEDIENCE.

I declare to you that this mess will not be cleared up by military or poltiical efforts, or by throwing vast sums of money at it, as is the Liberal answer to our problems. There is only one way out of this self-imposed mess, and that is found in (2 Chronicles 7:14), where God clearly states: "If my people (White-Anglo-Saxons) which are called by my name, (Christian) will HUMBLE themselves, and PRAY, and SEEK my face, and TURN from their wicked ways; then will I HEAR from heaven and will FORGIVE their sins, and will HEAL their land." (It doesn't call for a revival among the colored folks, but among our own people).

Must we be "driven to our knees, and have our nose rubbed in the dirt, before we will listen to God, OBEY Him, and be saved both spiritually and physically?"

We cannot continue to help God's enemies and expect His approval and blessing, (2 Chronicles 19:2) says very clearly: "Shouldest thou help the ungodly, and love them that hate the Lord? (They call Him a bastard) Therefore is wrath upon thee from before the Lord." Some late news from S.W. radio states that some 6,000 Jews who normally work in the Twin Towers, were absent on the day of the attack. May God open our eyes to His TRUTH,

For Christ and Country,

Jack Mohr
